ADVANCED PLACEMENT / ACCELERATED / HONORS COMMITMENT

***COMMITMENT:** Students who complete a high school course before entering grade 9 will receive a letter grade. This grade will be included in the high school GPA and class rank. For more details, refer to the UCS Michigan Merit Curriculum Requirements document *(https://www.uticak12.org/academics-programs/secondary/ucs-graduation-requirements).* After completing S1 and/or S2 of a high school course, students may request to have the course grade removed from their record by contacting building administration before the start of grade 9. If approved, the student will be required to retake the S1 and/or S2 course.
Once schedules are finalized, course selections cannot be altered, and teacher requests will not be accommodated. By choosing to enroll in an Advanced Placement, accelerated, or honors course, students are committing to complete the course for the entire year. All course offerings are subject to change depending on enrollment. By signing below, you acknowledge and agree to the course selections for your student and the scheduling conditions outlined above.
