Missed Classes
There are many times that students are not able to make classes for various reasons. That is unfortunate. We ask that you make every effort to keep your commitment. Continuing Education is unable to reimburse students for missed classes. If a class is canceled or unable to be held because of circumstances under the control of the Continuing Education office, all efforts will be made to reschedule that particular session or credit will be given toward a future class.

Who May Register
Registration is open to district and non-district residents. Adult courses are open to persons 21 years of age or older unless otherwise specified in the course description.

Refunds
If we cancel a course for any reason, you will receive notification and a full refund for that course.

Non-Residence Fee
We welcome anyone to participate in the courses that we offer. We do, however, require any participants who reside outside of the Churchville-Chili School District to add an additional $3 to the listed course fee.
