

Dear Friend of Patrick F. Taylor Science & Technology Academy,

As we prepare for the upcoming 2025 TrueBlue Gala, we are kindly asking for your assistance to make this year's event the best yet! The Gala is our school's largest fundraiser and generates much-needed funds to enhance the education, school programs, and curriculum tools for our students.

Patrick F. Taylor Science & Technology Academy is a National Blue Ribbon Award recipient and is ranked as the #2 high school in the State of Louisiana by *U. S. News*. We are a Jefferson Parish Public School that provides enriched instruction in mathematics, science, and technology in an academically challenging, college preparatory environment. Pat Taylor students are the scientists, inventors, engineers, and community leaders that will usher Jefferson Parish into the next era.

This year's annual TrueBlue Gala will be held on April 12, 2025, at Southport Hall. A huge part of the revenue generated consists of a silent auction with donations from successful, community-minded businesses and individuals like yourself. Please consider becoming a sponsor and/or donating to the silent auction (items, gift certificates, etc.) for this important fundraising event; all contributions are tax deductible. We anticipate 300+ guests in attendance and all proceeds go directly to our students and the advancement of their academic endeavors.

With the generous support from our benefactors, we can continue to prepare our students for success! If you have questions or would like to request donations to be picked up, please contact Lisa McElhannon (504-232-2007) or Leann Falcone (504-481-1015). You can also email us at friendsofpftsta@gmail.com. Your support of our school is greatly appreciated!

Sincerely,

Lisa McElhannon and Leann Falcone
