

THE DELBARTON FUND 2021-2022

The Delbarton Fund is an essential, strategic resource that funds both anticipated budget items and unanticipated opportunities. Together, tuition and the Delbarton Fund are the foundation for everything that makes Delbarton unique. A robust Delbarton Fund allows the school to respond swiftly to new challenges, including: increased financial aid requests; additional technology, health and safety resources; and expanded faculty development, training, and innovation.

There are many ways to make your Delbarton Fund gift meaningful.

Greatest Need: Supports Delbarton's top priorities throughout the year. By entrusting Delbarton with a gift in this unrestricted category, you empower the School to respond to issues and opportunities across campus—whatever they are and whenever they arise.

Give a Boy a Year: Funds a financial aid budget of \$3.28 million this year. This means Delbarton is able to offer aid to 18.15% of the student body (118 students). The Give a Boy a Year program helps take economics out of the decision to attend Delbarton.

Faculty and Staff Development: Provides competitive salaries, benefits, and professional development opportunities to attract a distinguished faculty who immerse themselves in the Delbarton experience, not just as teachers but as coaches, counselors, moderators, and mentors.

Arts, Athletics and Student Activities: Supports students in the studio, on the stage, on the field, in the gym, and beyond. By funding the additional budgetary needs of arts, athletics, and activities, Delbarton ensures students and their parents are able to focus completely on the experience.
