INDEPENDENT LEARNING ACADEMY

At Independent Learning Academy we empower students' learning by building responsibility and holding students to high expectations. We empower and celebrate diversity for each student as they discover their passions.

1

Set and Acheive Goals

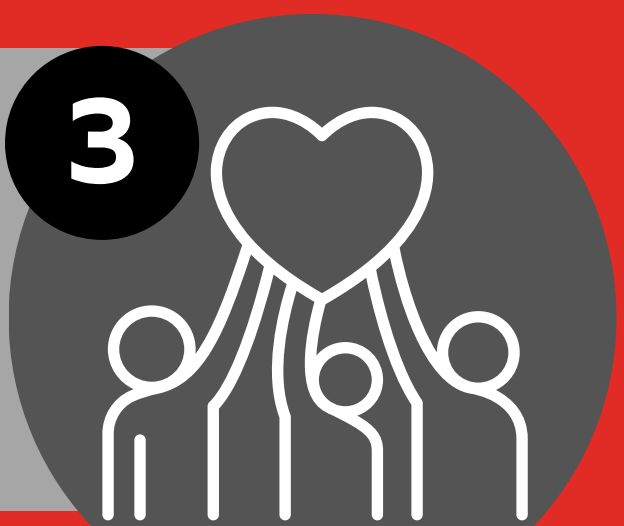
Students at ILA will plan and create realistic, and achievable academic and post high school goals.

2

Self Advocate

Students at ILA will seek out help when needed for academic and social emotional needs.

3



Build Positive Community

Students at ILA will be productive, positive members of the school and larger community.

4

Make Informed Descisions

Students at ILA will be be able to make educated and informed descisions regarding their life choices and post high school goals.

5

Become Critical Thinkers

Students at ILA will be exposed to rigorous and challenging grade level content in order to think critically about information and the world around them.
