Barker Corn Festival

Invitation to support the Barker Corn Festival 2022

Dear Community Member,

We are delighted to invite you to participate in the 2022 Barker Corn Festival at the Barker Village Park on August 13th! A foot race over a certified 5K course, farmer's market and vendor fair, corn roast, dunk tank, bouncy house, and live music under the stars will be among the features at this year's Corn Festival (just to name a few)- hosted by the Barker Area Partnership and sponsored by many homegrown companies. This local Corn Festival was initially created to celebrate our local farmers and summer prosperity, and it is a tradition that we wish to rekindle. At this event, we will celebrate the region, from local artisans and corn harvested at our own Harris Farms, to bike night highlighting local brews, grub and live music.

We cannot make this event happen without the help of local volunteers. Would you consider becoming involved in our event? By volunteering at the Barker Corn Festival, you'll be able to help us inject a piece of what makes Barker great back into the town. Please take our number below and give us a call!

We hope that we can count on your help to make this year's event great and that you will join us at the Village Park on Main St. - Saturday, August 13th!

Sincerely,

Heidi Dergel
