Subject: MLP Audit 25- Time Sensitive Documentation

Good morning Principals,
I hope this message finds you well as we head into warmer weather! I want to take a moment and thank you for your continued cooperation regarding our state and federal audit this year. As a reminder, the artifact collection window closed on November 25, 2024, and it is now time to begin submitting your documentation to me. Each school has an audit folder that I created and shared with you via our district **One Drive**. The required documents to upload are listed in the **MLP Monitoring Visit Required Documentation** attached to this email. Remember to name the documents correctly before uploading them, as per the provided example below, and ensure they are placed under the appropriate title within the folder.

- **When you upload documents into your school's folder, please save the documents by the section, item code, and school abbreviation (SID_D.5.1_BLES)**

Additionally, please complete the checklist items at your school site. Once **the entire checklist is completed**, kindly send it to me.

- Checklist -https://forms.gle/eDttmkSyjjTgF6XSA

The deadline for all submissions is February 7, as I need to review and upload each of these documents electronically to the SCDE Crate. I appreciate your attention to this important task; I will continue to reach out if further documentation is requested from SCDE. **Also, if you have further questions, our team will hold Audit Office hours via zoom on Monday, January 27/ 9 AM-10 AM and on Tuesday, January 28/ 9 AM-10 AM**. I will send a calendar invite to all. I truly appreciate your efforts in making this audit process smooth and efficient.

Gratefully,

Diana
