HARD WORK PAYS OFF!

“What a day for our choir program! Yesterday, all four of our performing choirs earned the highest ratings possible at our UIL contest, bringing home trophies for every group! The judges were blown away by our students’ mature tone, artistry and musical expression throughout the day. They also praised our outstanding sightreading skills, showcasing our ability to pick up a brand new piece of music and sing it with confidence and accuracy!

We are beyond proud of our singers for their dedication, hard work and passion for music. This is a huge accomplishment, and we can’t wait to share our Spring Show with everyone on May 9th!”

To All HEB ISD Parents, Families, and Employees:

At a recent board meeting, the Board of Trustees approved our Official School Calendar for the 2025-2026 school year. We appreciate your input, and from the results of that input, our employees and our community let us know that Calendar Draft A was the choice of our stakeholders. You can access the 2025-2026 calendar on our calendar webpage: HEB ISD Calendars webpage (www.hebisd.edu/calendar)Please Note: Next school year's calendar will start the school day five minutes earlier than the current school year. Beginning in August 2025, the elementary school day will start at 7:45 AM, junior high at 8:15 AM, and high school at 8:40 AM. This allows HEB ISD to fulfill common calendar requests we've received from HEB ISD families and staff, while still providing students with enough instructional minutes.
