River Bluff Campus

At the River Bluff Campus, installation of the gym equipment is complete in the River Bluff addition! This includes six basketball hoops, two scoreboards, a divider curtain, a wrestling mat hoist, wall pads, and floor inserts ready for volleyball posts. Outside the gym, the carpet and resilient athletic flooring install is complete. Ceiling tile has been installed throughout. Installation of the AV items such as cameras, clocks, speakers, and the gym projector screen is also complete. Next week, installation of the wood gym floor will begin!

At the District Office, installation of the ceramic tile and plumbing fixtures is complete in the restrooms. The roofing and air & vapor barrier (AVB) are complete on the elevator lobby addition and brick masonry is underway.

High School

The music wing renovations are nearing completion, with ceiling and lighting upgrades in the band room now finalized. The frame for the new mezzanine access point has been installed, and the door is being painted in preparation for install next week. Renovation activities are underway in the corridors surrounding the weight room. Demo of the existing flooring wrapped up this week, and installation of the new flooring will begin next week.

Additional updates to High School have been completed, including the refreshed base trim around the trophy cases and block infill at the old cabinet unit heater locations that were removed.

DID YOU KNOW?

When students and staff are away on spring break – the construction team will be getting a head start on select construction activities and site investigation for the exciting work we have coming up at Fox Prairie Elementary and Sandhill Elementary, setting the team up for a successful summer!
