Project: New Elementary School #46 in LUZ 3A/4A/5A/5E/6A/6D/10B/11D

Scope of Work to Include: Construct prototype elementary school designed for 1,280 students

Background & Justification: Katy ISD has yet to purchase land for this proposed new elementary school. Growth in the northwest quadrant of the District continues on an annual basis. Construction of this new campus will provide relief to existing campuses that currently house students in surrounding attendance boundaries.
