January 21, 2022

We love to take some time to give you a look into what our scholars are up to in class. Here you can see Art History students creating paintings in the style of an Abstract Expressionist artist! (Photos courtesy of Ms. Grade, one of our amazing art teachers)

While this new semester has brought with it some changes as we work diligently to keep our Herron community safe and healthy, we're so thankful to be able to see our scholars in person! Thank you parents and scholars for your commitment to one another and our faculty and staff as we continue to work to safely navigate day-to-day life!

Masks Reminder

As we continue to work diligently to keep our scholars and faculty safe and healthy, this is a reminder that face masks are **required** for **everyone** on campus. *Please* make sure to bring your own reusable mask with you every day.

We ask that all students arrive to school each and every day with an appropriately fitting mask. Gaiters and bandanas will not be accepted. Students are expected to wear their masks over both nose and mouth 100% of the time while on campus. Masks may only be removed while eating or drinking.

Our COVID-19 Protocols

Please remember that HCS has a mask mandate and that all current protocols still apply. It is important that masks fit properly for adults and students. Masks should fit snugly over the nose and mouth and under the chin, and there should be no gaps around the sides. Students should arrive to school with their own clean, properly-fitting masks each day.

Additionally, we know that being fully vaccinated is our best protection against the spread of COVID-19. All individuals 5 years of age or older are eligible to be vaccinated, and we ask that all families please take this step. Individuals 16 and older are also currently eligible for the booster shot if initial vaccines were more than six months ago. To be considered fully vaccinated, an individual must get the booster if they are eligible. You can visit www.ourshot.in.gov or call 211 to find locations and schedule your appointment.

Finally, as the country battles the COVID-19 Omicron variant, we are awaiting updated K-12 guidance from our federal, state and local health agencies. We will communicate any updates to our protocols to families and staff as soon as possible. It is essential that all individuals continue to self-screen and remain at home if experiencing any COVID or cold/flu symptoms. Signs and symptoms of COVID-19 can include fever, chills, cough, shortness of breath, fatigue, muscle aches, headache, loss of taste or smell, sore throat, nasal congestion or rhinorrhea, vomiting or diarrhea, and skin rashes.

Symptoms or test results should be reported via email to contacttracing@herronhighschool.org

2021-2022 Student Fees are now Posted in PowerSchool

2021-2022 school fees have now been posted to your student's PowerSchool account. An email was sent on Nov. 25th with an attachment of the fee invoice.

Fee payments are due by January 31, 2022.

The easiest way to pay is to click this link: <https://www.herronhighschool.org/families/payment>

For free or reduced lunch status students, while the State of Indiana covers most of the school fees, it does not cover 100%. We certainly understand that sometimes you may have difficulty paying the fees. Please know that we are happy to work with you to establish a payment plan. If you have lunch charges from prior school years, they will be billed separately this year so please look for a second email regarding past due charges.

For an itemized breakdown of student fees, click here:

If you have any questions or concerns or would like to arrange a payment plan, please contact Mary Ann Beale at mbeale@herronhighschool.org.

2022-23 Scheduling Information

It is time to begin considering your course selections for the 2022-2023 school year. This is a very important process, as many things will be impacted by the choices you make. The courses you will take will help determine how well-prepared you will be for the many opportunities during and after high school. We ask that you take time to consult with your parents/guardians, teachers, friends, and counselor as you make these important choices. Your course selections impact the school's master schedule, so make sure you have thought through your choices and are committed to your selections.

The specific Herron Classical Schools graduation requirements for the diploma options have been printed and distributed to students and sent home via email to parents/guardians. They can also be found on the Advising page. It is your responsibility to make sure you understand these requirements and earn the appropriate grades to achieve your desired diploma. Please be sure to ask your school counselor if you have questions regarding this information.

Scheduling Information is now posted online at: <https://www.herronhighschool.org/academics/scheduling> so visit our website to review class options, internship information, scheduling procedures, and to watch our previously held Zoom session.

After making course selections, the counselors will meet with every student to review their requests, **beginning January 24th**. As it is our intent to include the guardian in the student's course selections, final course selections will be distributed in late April/early May for the student's and guardian's final review and approval. If the student and guardian would like to make changes these must be communicated prior to May 20th. Good luck with your course selections!

Director of Counseling
