INDIANA STATE LAW (2016) MANAGEMENT OF STUDENTS WITH DIABETES

IC 20-34-5-12 Requirements of the management and treatment plan for a student with diabetes

Sec. 12. (a) A diabetes management and treatment plan must be prepared and implemented for a student with diabetes for use during school hours or at a school-related activity. The plan must be developed by:

- (1) the licensed healthcare practitioner responsible for the student's diabetes treatment; and
- (2) the student's parent or legal guardian.

(b) A diabetes management and treatment plan must:

- (1) identify the healthcare services or procedures the student should receive at school;
- (2) evaluate the student's: (A) ability to manage; and (B) level of understanding of the student's diabetes; and
- (3) be signed by the student's parent or legal guardian and the licensed healthcare practitioner responsible for the student's diabetes treatment.

(c) **The parent or legal guardian of a student with diabetes shall submit a copy of the student's diabetes management and treatment plan to the school nurse.** The plan must be submitted to and be reviewed by the school nurse:

- (1) before or at the beginning of a school year;
- (2) at the time the student enrolls, if the student is enrolled in school after the beginning of the school year; or
- (3) as soon as practicable following a diagnosis of diabetes for the student.

IC 20-34-5-13 Development of the individualized health plan for a student with diabetes

Sec. 13. (a) An individualized health plan must be developed for each student with diabetes while the student is at school or participating in a school activity. The school's nurse shall assist in the development of a student's individualized health plan in collaboration with:

- (1) to the extent practicable, the licensed healthcare practitioner responsible for the student's diabetes treatment;
- (2) the school principal and/ or school counselor
- (3) the student's parent or legal guardian; and
- (4) one (1) or more of the student's teachers.

(b) A student's individualized health plan must incorporate the components of the student's diabetes management and treatment plan.
