How is parent and family engagement funded?

- Each year we receive parent and family engagement funding. We plan to use these funds for our four events that are hosted by the Title I department each year.
  - We hold the annual meeting
  - A fall drive thru
  - A winter wonderland
  - A spring event that often focuses on literacy or STEM
  - The one book blitz

These events require the purchase of materials and supplies that are purchased by Title I such as books, student incentives, instructional resources, and other items.
