WINTERS WINTER BREAK CHALLENGE
5th Grade

Please turn these in to your teacher on the first day back after Christmas Break. Everyone that completes the challenge will receive something from Mr. Winters. Those students that get at least 80% correct will celebrate with Mr. Winters in the first few weeks of school in January. Good Luck!

1. 1,241 x 316

2. 2, 987 x 123

3. 5,000 x 999

4. 6, 013 x 878

Divide the first number by the second number.
Example-
5. 312/14

6. 198/12

7. 675/10

8. 825/18

9. 711/19

10. 1.79 + 6.22

11. 7.77 + 6.99

12. 9.7 - 7.9

13. 16.67 - 9.88

14. 0.5
x 0.1

15. 18.6
x 9.2

16. 8.8/2=

17. 0.84/7=

18. 6.67 x 7.91=
19. 9.31 x 9.31=
20. 12.6 x 6.12=
