

SPORTS & ENRICHMENT

FOR KIDS!

A Summer @ Lauralton PROGRAM

Our co-ed summer enrichment programs allow campers in kindergarten through 8th grade the opportunity to foster their interests and talents while stimulating their minds and exercising their bodies. Customize camp to best meet your child's needs and interests!

Kindergarten-2nd Graders

Animal Planet

Allow your camper to explore the world and the animals that inhabit it! From the desert to under the sea, your camper will learn about different animals, and the environments they live in while having fun! Your camper will play, learn and explore the world and its inhabitants through activities, crafts, games, and stories! Each day includes thematic crafts to allow your campers to express themselves and their knowledge. Crafts differ each week to ensure a summer full of fun!

Session 1: June 27th-July 1st	9 am-1 pm	\$200
Session 4: July 18th-July 22nd	9 am-1 pm	\$200

Around the World: Pirate Explorers

Looking for your camper to do something different this summer? In this NEW and EXCITING camp, your camper will become a Pirate and learn to explore the world around them! They will participate in activities, crafts, games, and stories that will help open your child's eyes to geography, world cultures, and different perspectives. Campers will look for their lost parrots, and even participate in a treasure hunt on campus! Upon completing the different activities, campers will get their passports stamped to show off their knowledge of the location they visited from the safety of the classroom! Each day is a different theme and location that will shape the events of that day to ensure a summer's worth of fun!

Session 2: July 5th-July 8th	9 am-1 pm	\$160
Session 6: August 1st-August 5th	9 am-1 pm	\$200

Dinos and Bugs

Is your child fascinated with dinosaurs or bugs? Give them a week to learn more about the creepy-crawly creatures that currently share our environment, along with their ancient predecessors. Campers will participate in a variety of activities and games to learn more about the extinct creatures. Campers will also explore the Lauralton campus to learn about the different species of butterflies, insects, and bugs! They will search the Lauralton campus to identify and record their findings of the insects they encounter, along with a Dinosaur scavenger hunt. Counselors will prepare books and thematic lessons each day to allow campers to express their creativity while learning. Each day will have a personalized craft to keep your child creatively engaged all summer long. Through crafts, games, songs, and stories, your camper will learn more about dinosaurs and bugs!

Session 5: July 25th-July 29th	9 am-1 pm	\$200
--------------------------------	-----------	-------

STEM For Kids!

This NEW course is designed for the child who loves to explore and wants to be hands-on. From science projects exploring buoyancy, to static electricity, to building structures with cans, cardboard, clay, and so much more, STEM for Kids is an exploratory camp that improves imagination and creativity through various projects. From Angry Birds™ sets to catapults, creating rainstorms in a bottle to exploding volcanoes and elephant toothpaste, this camp is guaranteed fun! Campers will work on individual projects and work with fellow campers to create group masterpieces. Campers will be learning

thematically about the practical world of science, allowing them to stimulate their curiosity and interests.

Session 3: July 11th-July 15th	9 am-1 pm	\$200
--------------------------------	-----------	-------

2nd-5th Graders

Art-tastic!

Back by POPULAR demand, this course will allow your campers to develop their art skills as they work on a variety of projects. Campers will learn about techniques and be provided the opportunity to express themselves through chalk, pastels, clay, watercolor, and more! Campers will be challenged to apply their creative abilities through unique and original projects for some summer fun!

Session 1: June 27th-July 1st	9 am-1 pm	\$225
-------------------------------	-----------	-------

Hogwarts™ at Lauralton: First Year

This CAMP FAVORITE was designed by some dedicated Potterheads! Campers will be sorted into houses, participate in potions class, create new mythical creatures, write for the Daily Prophet™, play quidditch, make Butterbeer™, and so much more! Harry Potter fans will love exploring the magical world of Hogwarts™ right here at Lauralton (once a boarding school itself)!

Session 2: July 5th-July 8th	9 am-1 pm	\$160
Session 5: July 25th-July 29th	9 am-1 pm	\$200

Let's Get Digital!

Technology is literally in our hands, and through this course, campers will focus on photography, music production, and video-making. They will learn different ways to film, edit and enhance

their videos! Campers will use our Innovation Lab that includes a green screen and so much more! From recording music to original noises, to filming skits, to working with Adobe to edit pictures taken by your camper, this course is guaranteed hands-on experience and fun! Campers should bring their own cameras and cell phones daily for use. A permission slip required for this course as campers will walk off campus under the supervision of their counselors to photograph a variety of objects and subjects. Campers work with a group to create, film and edit skits, short movies, music videos and more. A copy of the productions will be mailed at the conclusion of this course.

Session 4: July 18th-July 22nd 9 am-1 pm \$200

Mad Scientists

Ever wonder why your hair sticks up when you rub it against a balloon? Or how a magician can suddenly make himself disappear? The answer is always physics! Let your camper discover the fascinating and practical world of science! This class will focus on different areas of study such as projectiles, forces, and energy. At the end of the week, a Physics Olympics will be held in which groups will compete in a variety of challenges!

Session 1: June 27th-July 1st 9 am-1 pm \$200

Marvel™ Madness: Infinity War

Calling all superheroes! You are invited to a week full of strength, power, and intelligence. Test your superhero knowledge as we learn the stories behind Thor™, Captain America™, Black Widow™, Iron Man™, the Hulk™, and so many more. Campers will design and draw their own hero comics and create alternative identities with unbelievable powers. Throughout the week, campers will complete obstacle courses to test their abilities, escape the room to rescue those in need, replicate Thanos' hammer, and so much more! Sign up today for this NEW and exciting camp!

Session 6: August 1st-August 5th 9 am-1 pm \$200

Treasure Hunter: Time Travelers

This NEW camp program was designed for the explorer at heart! From writing messages in invisible ink to trying to make their way through a maze undetected, during this week-long course, campers will hunt around Lauralton's campus for clues and hidden treasure to solve the mystery! From the Renaissance to the Roaring 20s, campers will not only learn about history but they will be challenged to think creatively and collaboratively to solve the puzzles to

make their way back home! But beware, some treasure isn't how it appears! Campers will work collaboratively to perform a task or solve a mystery before they can search for the next piece of treasure. Guaranteed fun for the adventurers at heart!

Session 3: July 11th-July 15th 9 am-1 pm \$200
Session 5: July 25th-July 29th 9 am-1 pm \$200

5th-8th Graders All Things Digital!

Technology is literally in our hands-and through this course, campers will focus on photography, music production, and video-making. They will learn different ways to film, edit and enhance their videos! Campers will use our Innovation Lab that includes a green screen and so much more! From recording music to original noises, to filming skits, to working with Adobe to edit pictures taken by your camper, this course is guaranteed hands-on experience and fun! Campers should bring their own cameras and cell phones daily for use. A permission slip required for this course as campers will walk off campus under the supervision of their counselors to photograph a variety of objects and subjects. Campers work with a group to create, film and edit skits, short movies, music videos and more. A copy of the productions will be mailed at the conclusion of this course.

Session 2: July 5th-July 8th 9 am-1 pm \$160

Archeology Adventure

CAMP FAVORITE! In this fun and unique offering, campers will participate in an authentic, scientific field excavation program on the Lauralton Hall campus. This program is geared for those interested in archeology, history, and natural science. Learn archival research skills, excavation, and lab techniques, and work alongside a trained archaeologist/educator at an actual dig site located on the Lauralton campus. Discover what life was like in Milford in 1864!

Session 3: July 11th-July 15th 9 am-1 pm \$200

Cartooning

In this popular camp, campers will learn to use shapes and lines to create their very own cartoon characters. Campers will practice various techniques while learning to breathe life into their drawings with action and emotion. Let your child's creativity soar as they are challenged to create original characters! Campers will receive their original comic along with all of their finished creations.

Session 6: August 1st-August 5th 9 am-1 pm \$225

CSI Detectives

In this fun-filled educational workshop, campers are summoned to various staged crime scenes where they will participate in gathering evidence and conducting experiments in an attempt to solve the crime. Along with fellow investigators, campers will use biology, chemistry, mathematics, and deductive reasoning to weigh the evidence and apply findings in the quest to find the culprit. Participants will learn how to collect and analyze prints (finger, lip, and shoe) and to conduct hair and handwriting analysis. Campers will be challenged to identify mystery powders, solutions, and more to solve crimes!

Session 4: July 18th-July 22nd 9 am-1 pm \$200

Hogwarts™ at Lauralton: Second Year

This CAMP FAVORITE was designed by some very dedicated PotterHeads! Campers will be sorted into houses, participate in potions class, create new mythical creatures, write for the Daily Prophet™, play quidditch, make Butterbeer™, and so much more! Harry fans will love exploring the magical world of Hogwarts™ right here at Lauralton (once a boarding school itself!)

Session 1: June 27th-July 1st 9 am-1 pm \$200

Session 6: August 1st-5th 9 am-1 pm \$200

Intermediate Art: Masterpiece Collection

In this NEW and IMPROVED course, campers will be able to express themselves creatively to complete a range of projects that emphasize different techniques in art. Campers will advance their skills while making their masterpieces utilizing canvas, chalks, pastels, watercolors, and more! Projects will be brought home at the end of the week to share with their families.

Session 5: July 25th-July 29th 9 am-1 pm \$225

Marvel™ Madness: Endgame

Marvel™ fans, unite! In this club, the Marvel™ Universe comes together as we explore the lore and legends of the Marvel™ movies and characters. Campers will design and draw their own hero comics and create alternative identities with unbelievable powers. Throughout the week, campers will complete obstacle courses to test their abilities, escape the room to rescue those in need, replicate Thanos' hammer, and so much more! Sign up today for this NEW and exciting camp!

STEM Challenge

In this NEW and IMPROVED inquiry-based course, campers will explore the fascinating yet practical world of mechanical, electrical, and civil engineering. Campers will learn to be problem solvers and to use critical thinking skills. Working in our Innovation Lab, and utilizing their imagination, your camper will construct robots using Lego™ Mindstorms kits and program their creations with the NXT-G programming software. This camp will have campers working individually and collaboratively using circuits, doodle pens, programming apps, and so much more! Campers will create solutions to real-world problems, build prototypes and working models, and then test them in engineering challenges!

Session 1: June 27th-July 1st 9 am-1 pm \$200

Fun for All Ages

Amazing Race (K-8th Graders)

In this Summer@Lauralton camp favorite inspired by the popular television show, campers will work collaboratively to complete group challenges. As campers attempt to win the race by navigating a thrilling course through Lauralton's 40-acre campus, they will build problem-solving techniques, communication, and leadership skills.

Session 2: July 5th-July 8th 1 pm-4 pm \$135

Backyard Games (K-8th Graders)

Flashback to the oldies but goodies! Your camper will learn to play some backyard classics. From four square and kickball, to ladder ball and corn hole, this camp is guaranteed fun in the sun!

Session 3: July 11th-July 15th 1 pm-4 pm \$165

DIY Designs (3rd-8th Graders)

For the crafter at heart, this DIY Designs camp will allow campers to create a variety of projects that empower campers to Do-it-themselves! This course will have campers design personalized t-shirts, create mosaics for the garden, and so much more! This camp is guaranteed to satisfy those crafty at heart! This POPULAR camp sells quickly, so sign up today to ensure your child the opportunity to be creative and expressive, while learning new techniques, confidence, and independence.

Session 3: July 11th-July 15th 9 am-1 pm \$225

Our program gives parents the flexibility to customize their campers' activities for a fun and safe summer full of learning.

Full STEAM Ahead! (2nd-8th Graders)

In this NEW STEAM (Science, Technology, Engineering, Arts, and Math) course, campers will discover the fascinating and practical world of engineering and science. This camp will focus on different areas of study such as energy, forces, and projectiles. Campers will program using block coding and will learn to design character movements with mini-applications for a week of interactive fun! Campers will work with Lego NXT™ kits, Ozbots, Kinnex, and more to solve challenges that require creativity and collaboration. Allow your camper the opportunity to learn about this exciting field of building and programming robots, circuits and so much more!

Session 5: July 25th-July 29th 1 pm-4 pm \$175

Girls Club (K-8th Graders)

One of our most popular camps is back and better than ever! This exciting course allows your camper to embrace her inner girl. From jewelry making to scrapbooking, engineering challenges, and so much more, this empowering camp will provide young ladies the opportunity to express their sense of style and allow their confidence to grow in an all-female environment!

Session 1: June 27th-July 1st 1 pm-4 pm \$200

I Am Puzzled! (2nd-8th Graders)

This NEW camp is perfect if your camper enjoys puzzles and strategy games! Campers will work on a variety of puzzles and challenges while developing skills such as logical reasoning and lateral thinking. This course is a great way to give his or her brain a workout. Through games, puzzles, word games, and electronic games (Wordle and more), your child is guaranteed to have fun!

Session 4: July 18th-July 22nd 1 pm-4 pm \$175

Session 6: August 1st-5th 1 pm-4 pm \$175

Kids with Canvas (4th-8th Graders)

This POPULAR course is guaranteed fun and allows campers the opportunity to improve their painting skills with Mr. Rossetti, our resident art teacher! He will provide students step-by-step instructions to create their very own masterpieces, utilizing various techniques and tips. Campers will create their own 8x11 canvas each day to help personalize your home with their very own artwork! Paintings differ daily, and each week has different subjects to ensure a summer of fun!

Session 2: July 5th-July 8th 9 am-1 pm \$180

Session 4: July 18th-July 22nd 9 am-1 pm \$225

Lauralton Olympics (K-8th Graders)

Your camper won't want to miss out on this exciting course! Back by POPULAR demand, this camp centers on competition in various activities, games, and challenges! From campus-wide scavenger hunts, to steal the bacon, to color wars, counselors and campers will work together to have fun and achieve their goals. Teams will create a team name and design a t-shirt, competing throughout the week in different events! From minute-to-win-it challenges to physical education class favorites, this camp is a guaranteed fun time for all those who love games!

Session 4: July 18th-July 22nd 1 pm-4 pm \$165

Session 6: August 1st-August 5th 1 pm-4 pm \$165

Lauralton Spirit Squad (K-8th Graders)

Back by POPULAR demand! Under the guidance and supervision of our head instructor and the Lauralton Hall Cheerleaders, your camper will learn about team building and proper techniques for cheering and basic tumbling. Campers will have some high-spirited fun while learning new cheers from members of the Lauralton Hall Cheerleading team! The camp will conclude with a Friday performance of your child's cheers and skills!

Session 6: August 1st- August 5th 9 am - 1 pm \$200

Mix it Up (K-8th Graders)

One of our most POPULAR camps is back and better than ever! Designed for campers who are full of energy, this course will introduce them to a wide variety of activities, games, sports. Campers will be divided into age-appropriate groups to maximize a summer full of fun!

Session 1: June 27th-July 1st 1 pm-4 pm \$165

Session 5: July 25th-July 29th 1 pm-4 pm \$165

Parlor Games (2nd-8th Graders)

This NEW camp allows players to have fun while learning new games! From Set Back, to Golf, Slamwich and so much more, this camp introduces players to new games along with bringing back the classics. More than just fun and games, this camp reinforces communication skills, collaboration and strategy!

Session 3: July 11th-July 15th 1 pm-4 pm \$175

ABOUT OUR CAMPS

- ✓ Customize your child's summer to best meet their needs and interests!
- ✓ Our Co-Ed summer enrichment programs allow campers in Kindergarten through 8th grade the opportunity to foster their interests and talents while exercising their bodies and stimulating their minds.
- ✓ Conveniently located on the beautiful and historic Lauralton Hall campus, your camper will be taught by qualified adults in our air-conditioned facilities with a 1:4 counselor to student ratio.
- ✓ Our counselors are dedicated professionals who are certified teachers, are working on their teaching degree, or are pursuing a degree in the course of their designation. All of our counselors are college students or college graduates, and must undergo extensive training and background checks.
- ✓ Each camp also has a maximum enrollment, so don't miss out on our amazing classes and sign up electronically today!
- ✓ All of our counselors, nurses, and CITs are highly motivated and are excited to provide your child with an awesome experience in camp by showing their love of the content of the session while giving them personalized attention!
- ✓ Each class has a minimum enrollment of 10 campers. If this minimum is not met, we will notify you and provide you with alternative classes for you and your camper's selection.
- ✓ Each camp also has a maximum enrollment, so don't miss out on our amazing classes and sign up electronically today!
- ✓ We are a completely NUT FREE camp and ask for the safety of all our campers and staff, that you do not send your child to camp with any nut products.
- ✓ Because we understand the mornings can be busy, we offer hot lunch and a snack bar open daily for your convenience. We also have a lunch bunch option for morning sessions of camp for a minimal fee, where your child receives lunch including a snack while they are at camp!
