Summer Baseball Camp

RBI, an organization affiliated with Major League Baseball focused on reviving baseball in cities, is currently enrolling students for their spring and summer leagues here in Indianapolis. Baseball leagues are open to all students ages 3-18 and softball leagues for students ages 7-18.

There is a \$25 registration fee, but they will not turn anyone away if they are unable to pay. The registration fee covers all costs of participating, including equipment and uniforms, making it accessible to all.

RBI would like to get as many kids registered as possible by Friday, April 1st. There are five participating parks, so there are options for students located in different parts of the city.

Register at IndyRBI.org

If you have questions or need support getting students registered, you can contact the application specialist Brandy Moorhead at 317-566-4531 or Bob Haney at 317-626-2788

Creating Major League Citizens Through Opportunity

Indianapolis RBI is a baseball and softball league designed for youth to participate in organized, supervised, wholesome baseball and softball programs. Our goal is to revive baseball in the inner city while also creating major league citizens by promoting life skills. We offer co-ed baseball for ages 3-18 and softball for girls, ages 7-18.

Indy RBI's goal each year is to have 2,500 baseball and softball participants, and we have great momentum as we roll toward the 2021 season. To attain our goals, we must not forget our mission - to build good character, foster responsible behavior, encourage development of baseball and softball skills, encourage the enjoyment of healthy competition and teamwork, and to build the values of honesty, fairness, integrity, inclusion and commitment to excellence.

We are Indy RBI. Let's play ball!
