County Superintendent

June 3, 2025 Bulletin No. 25-044

TO: Chief Business Officials and Directors of Fiscal Services
San Bernardino County School Districts

Subject: Common Message 2025-26 May Revision

Since May 2008, county office chief business officials have crafted common messages to give guidance to school districts on assumptions for budget and interim reports. The goal of the Business and Administration Steering Committee (BASC) is to provide county office chief business officials with a consistent message that can be used in providing guidance to school districts.

This edition of the Common Message is intended to provide information and guidance to assist LEAs in developing 2025-26 adopted budgets and their multiyear projections (MYP). It contains information related to the Governor's May Revision Budget Proposal. COEs and LEAs should note this version of the Common Message primarily addresses changes from the Governor's January Budget Proposal as well as items considered essential for LEAs to include in their budgets and MYPs.

LEAs should note that both the Senate and the Assembly have released a joint budget proposal and that the final budget will likely contain a mix of the May Revise and that proposal.

If you have any questions, please contact your Business Services Advisor at (909) 386-9676.

Sincerely,

Ted Alejandre
