Deliverables On Track to be Completed by Summer 2026

Expand learning opportunities in which students and staff feel connected to their learning and are learning through authentic experiences.

Expand engagement opportunities for preschool children and families.

Through enhanced partnerships, students will have more opportunities to learn about and access college and/or career opportunities.

Relevant student information is effectively and efficiently communicated across levels.

Creation of a Social Emotional Framework that will outline a multi-tiered system of support for students and staff.

Staff are more equipped to support the social, emotional, and behavioral needs of students.

A more inclusive and supportive environment for everyone.

Students have expanded access to and participate in extracurricular activities.

Deliverables w/ Extended Completion Dates (by Summer 2027)

Applicable district staff are trained to implement evidence-based literacy strategies to improve student learning.

All K-12 CLT's operate at the highest level of effectiveness on WGSD CLT Progression.

Develop a plan for regularly providing staff with information and access to resources in support of their social, emotional, mental and physical health.

Reduced financial barriers to supplemental learning experiences for students and families.

Facilities Maintenance Plan created and utilized.

Improved discipline practices district wide.

Recommendation

We propose extending the Strategic Plan through the summer of 2027. Adding one additional year will provide the necessary time to complete the remaining strategies with the highest level of quality and effectiveness.
