

HERRON HIGH SCHOOL

Herron High School Students and Families,

How exciting to be concluding this school year! We proudly graduated 218 scholars on May 21st with that group earning more than 19 million dollars in scholarships. We lived through another COVID impacted year and came out stronger than ever. We celebrated the accomplishments of our students through NHS inductions, award ceremonies, state titles, and a variety of local recognitions. We were named the #1 High School in Indianapolis. It was a big year!

None of this year would have been possible without the dedication and countless hours put forth by our faculty and staff. They proved again and again this year how lucky we are to have such amazing people in our Herron Classical Schools family. I applaud them each day for coming in and giving every ounce of energy they had to help support our scholars. Please be sure to thank them, in writing, in person, or via phone. I know they would appreciate it!

Thank you, families, for welcoming me as part of your student's high school journey. Its hard to imagine that just one year ago, I was introducing myself to you for the first time. Since then, I feel like I have gotten the pleasure of getting to know many of you, through conversation, volunteer service, or even just email exchange. I am humbled daily knowing that I have been trusted to lead this amazing school. Thank you for the opportunity and I cannot wait for what the future holds!

One more week of finals and then FINALLY summer can begin. Please take time to celebrate your scholars, to travel and explore new places, and to expand your mind through music, literature, art, or theater. Soak it all in!

See you in August!
Anne Deckard

Community Service Day

On Friday, our scholars had the opportunity to live out our core values of engaging in urban community and serving as a catalyst for renewal. They worked in groups alongside our faculty and staff to help complete community service projects across Indianapolis - some right in our halls here at Herron High School, and others in parks, non-profits, and our local neighborhoods. It is a privilege to take the time to serve our neighbors.
