

SNAP Health Portal

ANNUAL REQUIREMENTS:

Navigate on the left side of the window under Health Record

- 1) **Demographics**- Be sure to edit the permissions section to give approval for us to treat and/or transport your child in case of emergency.
- 2) **Health Conditions** - Please use this section to enter and confirm any student health issues that are ongoing.
- 3) **Vaccines** - Please check to be sure that your child's vaccines are up to date and compliant with NYS requirements. Please upload your vaccine record from your doctor in this section.
- 4) **Screenings** - Please upload the most recent copy of the NYS physical exam form completed by your pediatrician in this section.
- 5) **Forms** - Please download, complete this form and have your pediatrician sign it. Upload it to this section.
