Dear Dr. Brown:

Thank you for submitting the following substantive change:

Substantive change:
OCIS Closure
Richmond Senior High
838 Highway 1 North
Rockingham, NC 28379
Submission date:
10/19/2023
Intended Implementation date:
10/31/2023
Case ID:
SC023940

The institution requested approval to close the Richmond Senior High off-campus instructional site (OCIS) due to the conversion of the institution's education programs to online/distance education. There are currently no students at the site; students were last admitted summer 2019. No student or faculty communication was implemented, as there are no students or classes at the site. No additional fees or expenses were incurred as a result of the closure, nor were there any teach-out agreements with another institution. Faculty and staff were not impacted.

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges approves the closure of the Richmond Senior High off-campus instruction site (OCIS).

Should you need assistance, please contact Dr. Denise Y. Young at (404) 492-5386 or via email at dyoung@sacscoc.org.

Please include the Case ID number above in all submissions or correspondence about this substantive change.

Sincerely,

Belle S. Wheelan, Ph.D.
