Data Source: All data are based on Official Fall Membership taken October 1 in each year.
Enrollment: Number of students enrolled. Early childhood (EC) does not include parent-pay PK at locations with early childhood students.
***Free/Reduced Lunch & Educational Benefits:** Percent of students participating in the free/reduced price lunch program or who are eligible for Educational Benefits (beginning 2022-23). Community Eligibility Program (CEP) may impact the accuracy of percentages.
Special Education Students: Percent and count of students qualifying and receiving special education services.
Enrollment Makeup: Percent of enrolled students who live in the school's home attendance area (HAA), in another attendance area (NON-HAA) or outside of the district (OUT OF DIST).
Data labels may not show due to the limited space which causes some numbers to overlap.
District data includes only Elementary Schools and no program, alternative, or special education sites.

Data Source: All data are based on Official Fall Membership taken October 1 in each year.
English Learners (EL): Students who are currently served and students who are eligible for services but waived them.
Exited EL: Students who were exited from the EL program (excludes students exited to special education).
Not EL: Includes non-EL students, students redesignated with Special Education support, and those tested but who did not qualify for services.
Refugee: Students who have been identified as refugees immigrating from one of 22 countries (i.e., Afghanistan, Bhutan, Burundi, Congo, Cuba, Egypt, Ethiopia, Haiti, Iraq, Kenya, Myanmar (Burma), Nepal, Rwanda, Somalia, Sudan, Syria, United Republic of Tanzania, Thailand, Turkey, Uganda and Ukraine).
Migrant: Students who have been living in Omaha three years or less and whose families work in the agricultural industry.
Data labels may not show due to the limited space which causes some numbers to overlap.
If school level statistics do not appear there are no students reporting who were enrolled at the school.
District data includes only Elementary Schools and no program, alternative, or special education sites.

Parent-Teacher Conference (PTC) Attendance and Student Mobility

Masters Elementary	2024-25

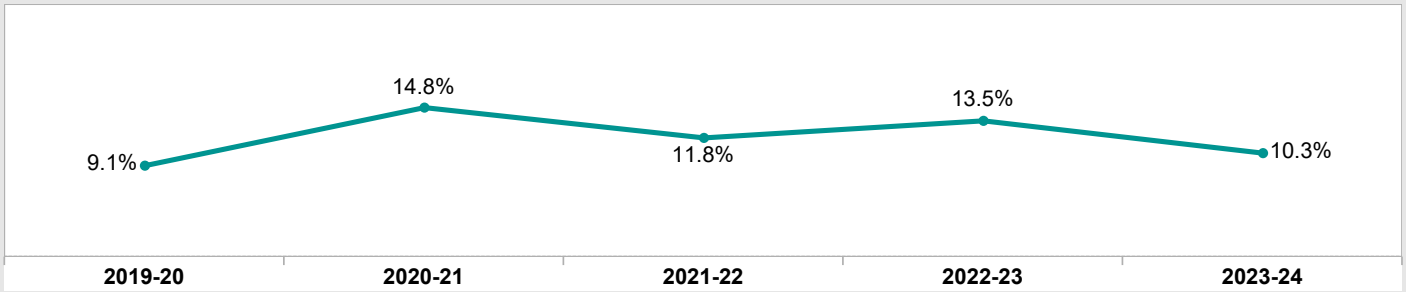
Parent-Teacher Conference Spring Attendance

PTC Attendance History

		# Attend	% Attend	In Person	Virtual
2021-22	Fall	201	83.8%	175	26
	Spring	216	84.4%	196	20
2022-23	Fall	277	105.3%	224	53
	Spring	243	87.1%	229	14
2023-24	Fall	258	96.6%	221	9
	Spring	228	86.4%	218	10
2024-25	Fall	246	91.8%	239	7
	Spring	247	91.1%	228	19

Data Source: Principal reporting of data.
Parent-Teacher Conference Attendance has been collected by the Research Division in the spring. Beginning with the 2021-22 school year, the Research Division collected both fall and spring parent-teacher conference data which includes in person and virtual attendance. This information can be used as one measurement of family engagement.
Attend: The number of students who had at least one or more parent/guardian attend PTC in person or by phone/virtually.
% Attend: Fall percentage is determined using Official Fall Membership. Spring percentage is determined using monthly membership from the month the conference occurred.

Student Mobility

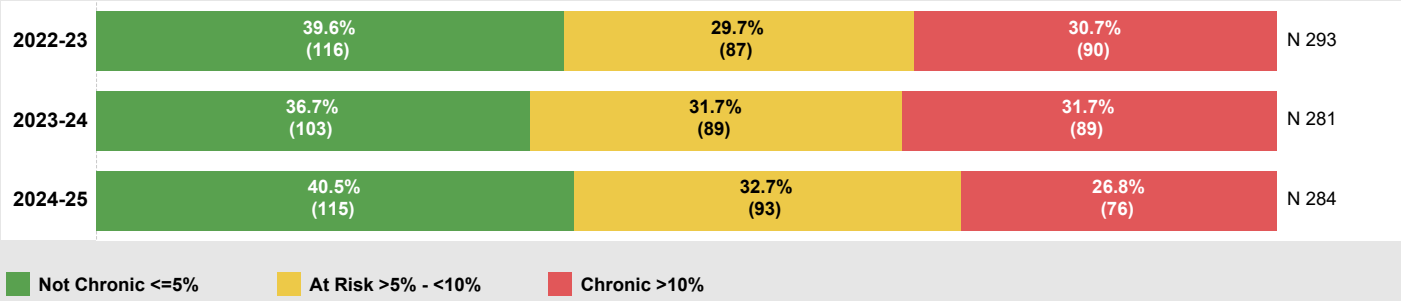


Data Source: NDE NEP website. Nebraska Student and Staff Record System
Any child who enters or leaves school between the last Friday in September and the last day of school is counted in the mobility rate. An individual child is counted only once. The percentage is calculated using the number of students in grades K-12 who are mobile divided by the number of students in grades K-12 as reported in the October or Fall membership. The October or Fall membership includes students enrolled on the last Friday in September.
In cases where no data is available, school level statistics do not appear.

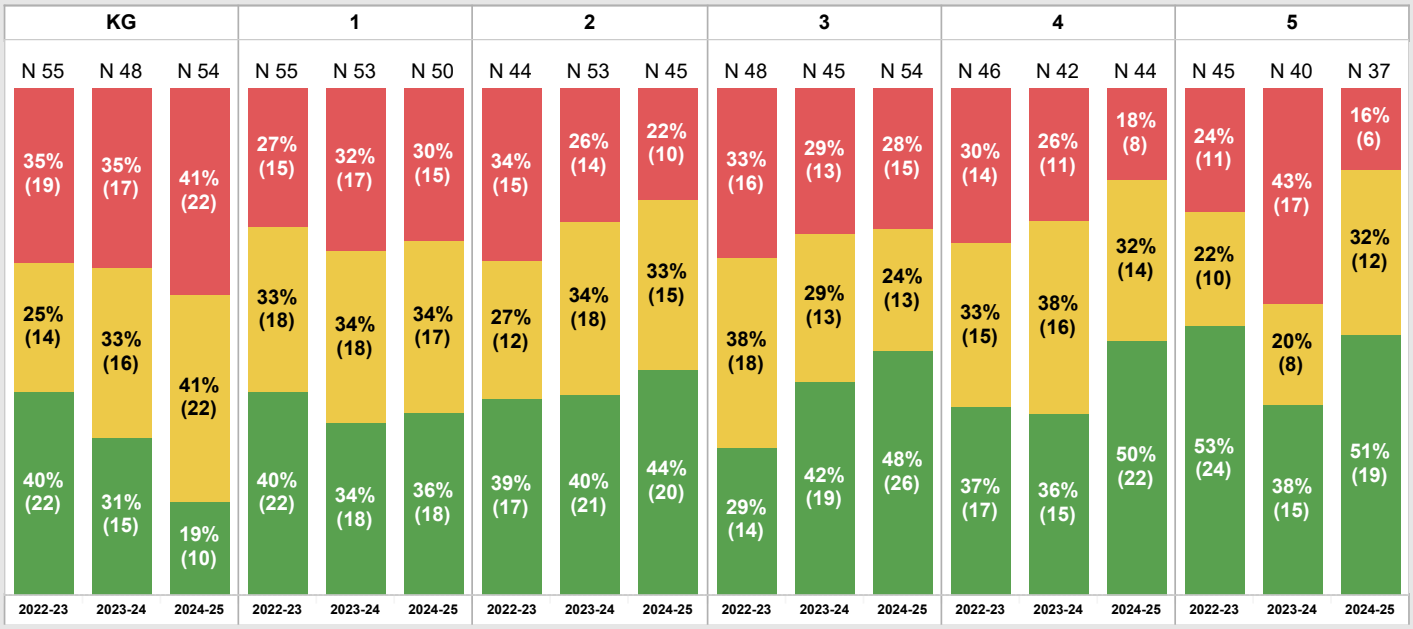
Attendance Summary

School Name	School Year
Masters Elementary	2024-25

Percent Absent: Enrolled 40 or More Days (No PK)



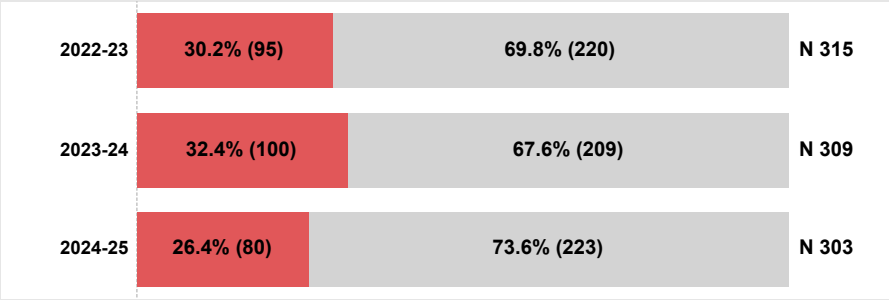
Percent Absent by Grade: Enrolled 40 or More Days (No PK)



Data Source: Student Information System (Infinite Campus)
Includes students enrolled at the school for 40 or more days in the school year. The data represented may be different from the attendance dashboard because it was compiled at the end of each school year and is not subject to change. Absences used in these calculations are an accumulation of all out of school absent time and do not include activity, office, Student Success Center absences, technology, senior release, or bus related absences. All other excused and unexcused absences are included in attendance calculations.

Percent Absent: The percent absent charts display the number and percentage of students who fall into each absence rate category. The district goal is for every student to be absent for 5% or less of their school year. An absence rate of 10% or more is considered chronically absent. Only students enrolled for 40 or more days are included in this calculation.

AQuESTT Chronic Absenteeism (No PK)



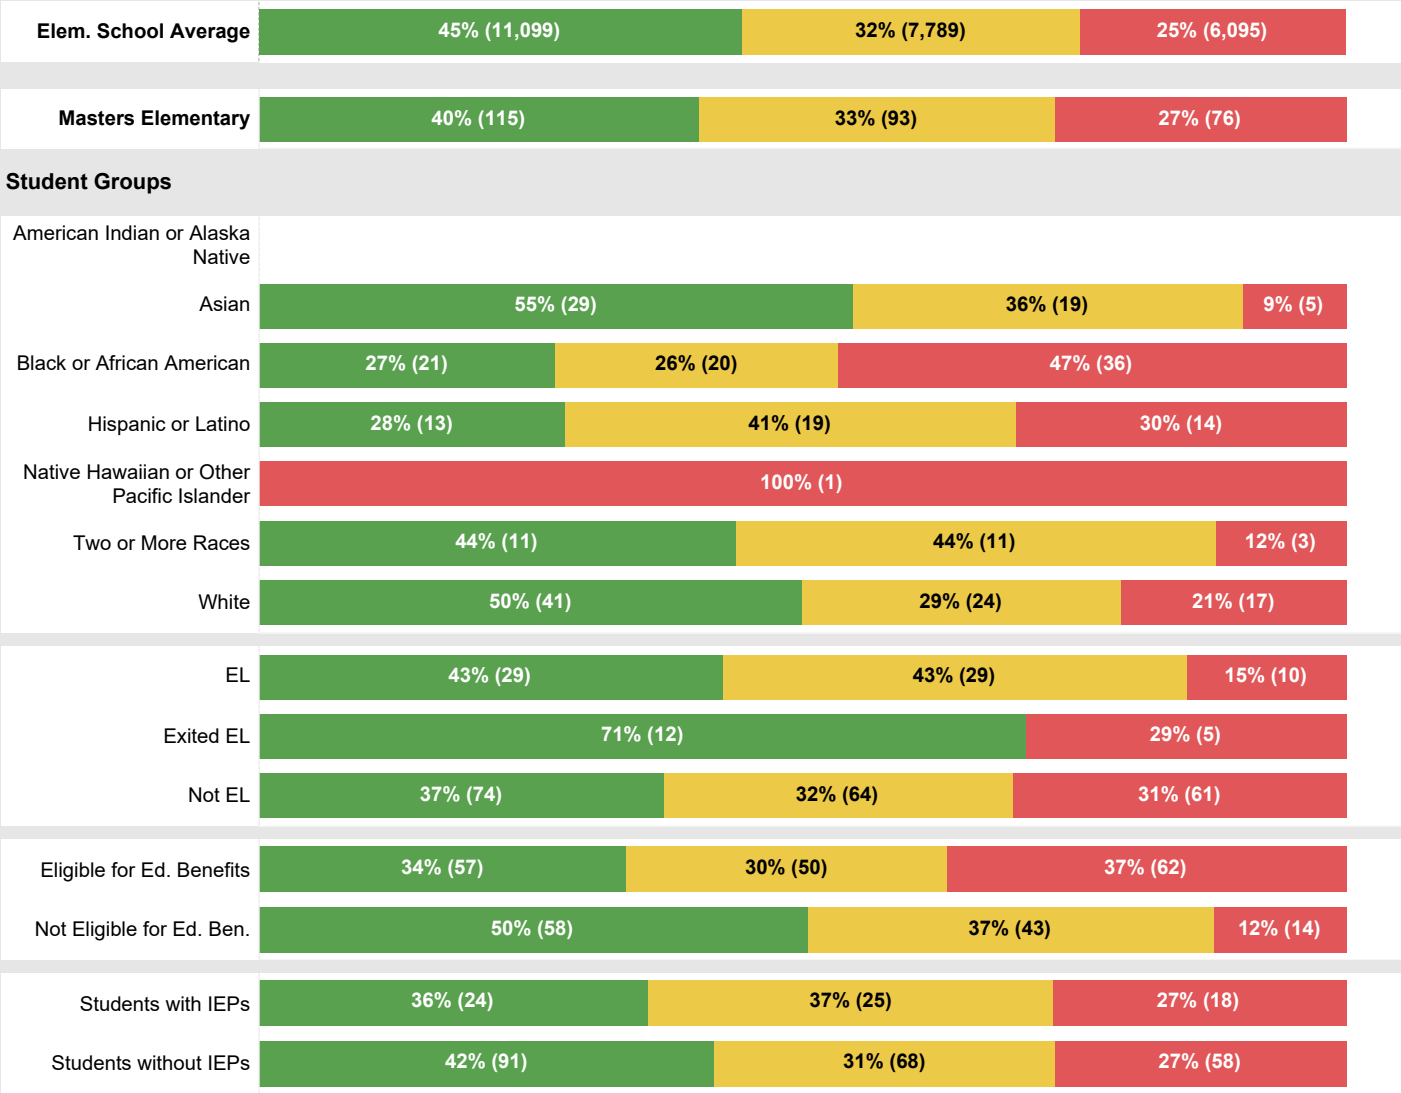
Data Source: NDE ADVISER Student Attendance Summary
This chart displays the approximate count of chronically absent students based on AQuESTT business rules and NDE data. Includes all students enrolled at the school for 10 or more days and students enrolled in a program setting who are assigned to the school for state reporting. Students of all enrollment percentages are included.

Attendance Summary

School Name	School Year
Masters Elementary	**2024-25**

Not Chronic <=5% | At Risk >5% - <10% | Chronic >10%

Percent Absent: Enrolled 40 or More Days (No PK)



Data Source: Student Information System (Infinite Campus)
Includes students enrolled at the school for 40 or more days in the school year. The data represented may be different from the attendance dashboard because it was compiled at the end of the school year and is not subject to change. All subgroup demographics are as of the end of the school year except for special education which is as of each enrollment. Absences used in these calculations are an accumulation of all out of school absent time and do not include activity, office, Student Success Center absences, technology, senior release, or bus related absences. All other excused and unexcused absences are included in attendance calculations.

Percent Absent: The percent absent charts display the number and percentage of students who fall into each absence rate category. The district goal is for every student to be absent for 5% or less of their school year. An absence rate of 10% or more is considered chronically absent. Only students enrolled for 40 or more days are included in this calculation.
English Learners (EL): Current EL students and those who waived services
Exited EL: Students exited from the EL program
Not EL: Students who are not EL or redesignated with Special Education support
Special Education Students: Students qualifying and receiving special education services during their enrollment. Students may be counted as both "yes" and "no" based on the services they received during different enrollments.

If no data is displayed, there were no students in the group.

Discipline Summary

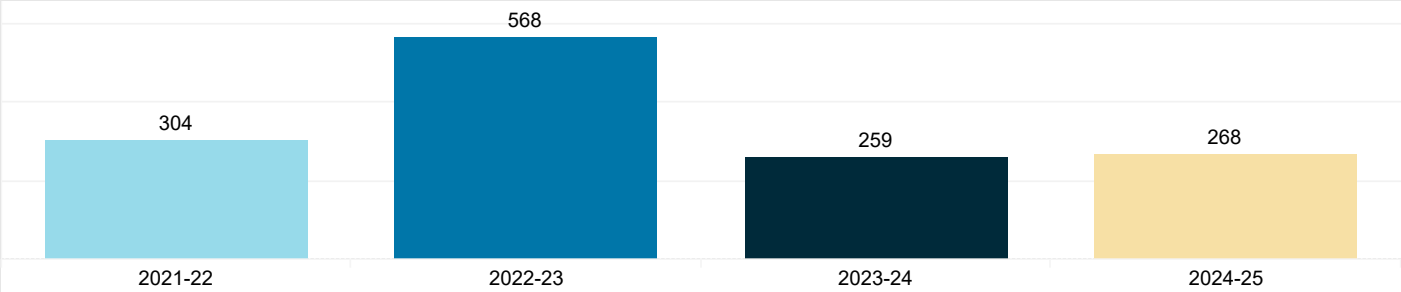
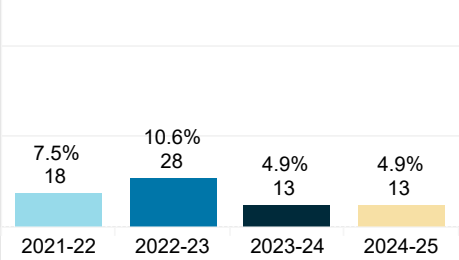
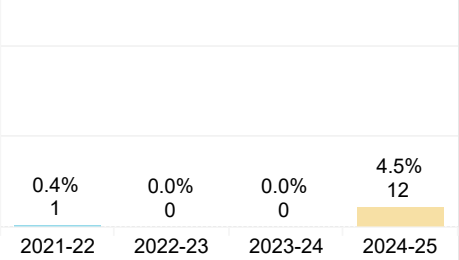
Unique Student Incidents by School Year



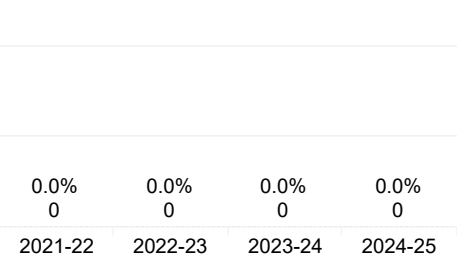
of Students with Out-of-School Suspensions by School Year



of Students with In-School Suspensions by School Year



of Students with Expulsions by School Year



Data Source: Student Information System (Infinite Campus)

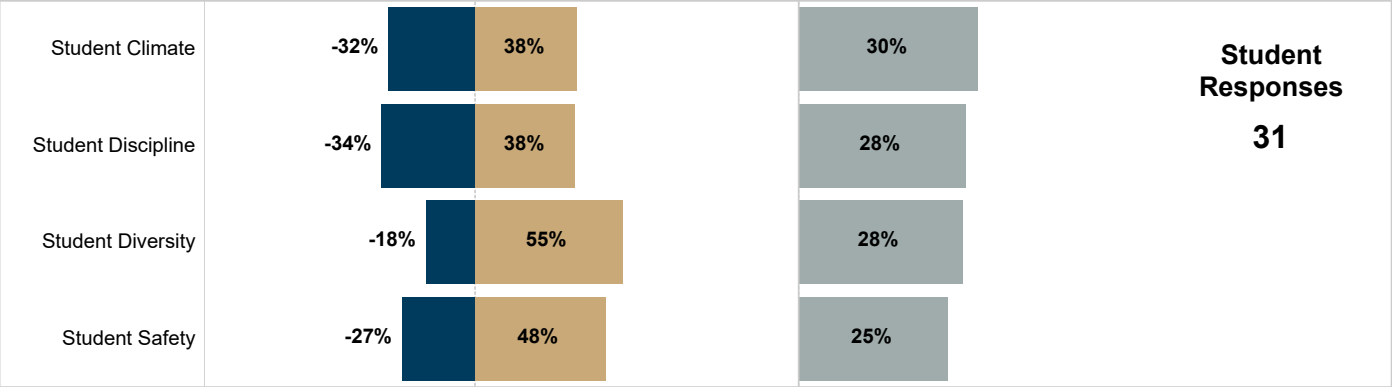
Early childhood students are not included in any demographic or discipline counts. Student demographics are based on Official Fall Membership enrollments and all discipline rates by group or school are calculated by dividing the number of students disciplined throughout the school year by the number of students enrolled at official membership.
Unique Student Incidents by School Year reflects the total number of distinct students involved in distinct incidents in that school year. A student involved in multiple unique incidents counts multiple times.

Climate Summary

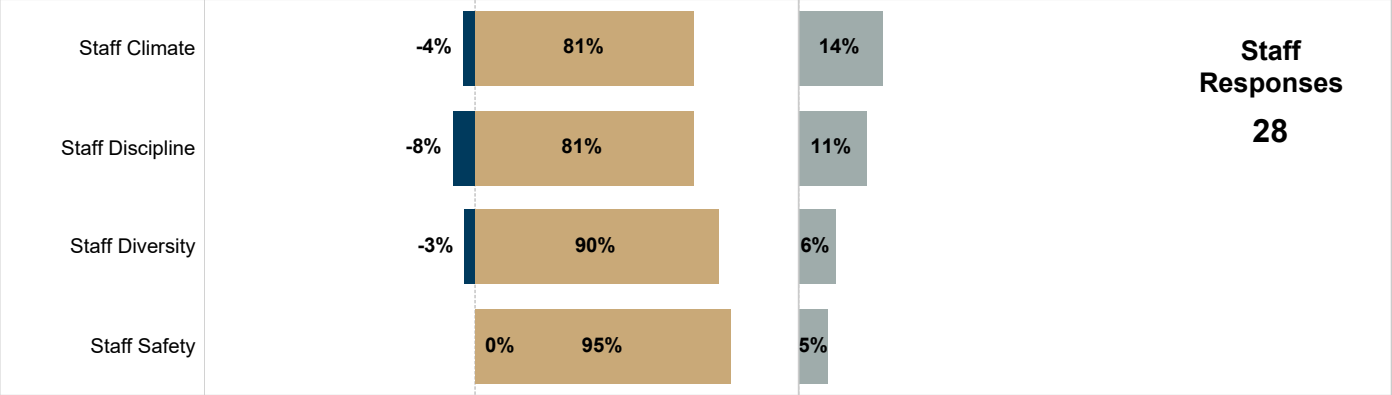
Masters Elementary	2024-25

Negatives Positives Neutrals

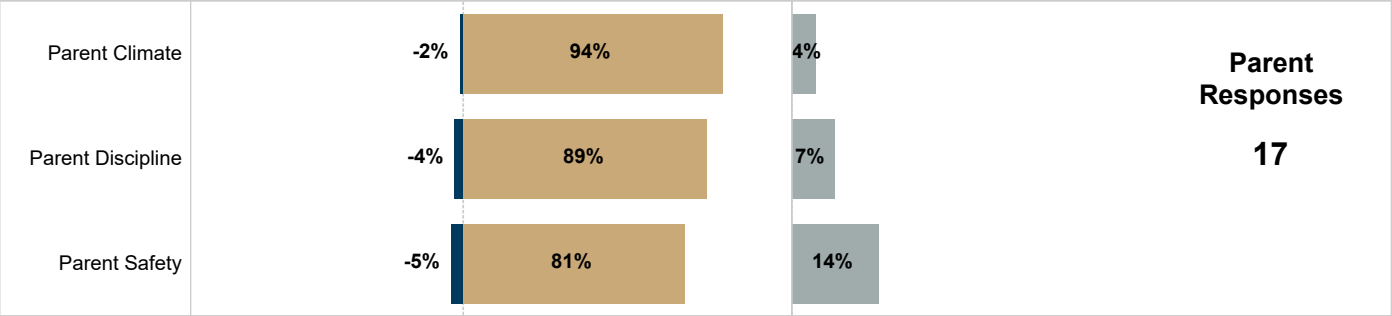
Student Climate Survey



Staff Climate Survey



Parent Voice - Climate Section



Data Sources and Notes:
This summary page presents favorability scores for the identified domain areas based on the annual climate survey results of students and staff. Student responses are collected from grades 5-12. These domain scores are calculated by aggregating individual item responses, showing the percentage of responses that were negative (1 or 2), positive (4 or 5), or neutral (3).

Parents have the opportunity to provide feedback throughout the year via the Parent Voice Survey, which allows them to choose from multiple categories to respond to. Parent response counts are often lower, especially in the climate/culture section, as many opt not to participate. Consequently, if there are 10 or fewer responses, the data is not displayed due to the results not being able to be generalized to a larger population.
