The RBC Athletic Department and the RBC Booster Club are dedicated to helping our student athletes achieve success both in the classroom and on the playing field. We are grateful for the support we get from our parents, alumni and community. Our combined efforts have contributed to the overall accomplishments of RBC's athletic programs, facilities and student athletes over the years. We ask again for your support so we may continue to help our students shine bright and carry on the Casey spirit and tradition.

The RBC Booster Club is dedicated to supporting the school's Athletic Department by raising funds that contribute to the annual leasing and maintenance of Red Bank's Count Basie Park. The complex includes multi-use turf fields for baseball, softball, field hockey, lacrosse, football, soccer and track and field. RBC is the only high school in Monmouth County to provide their student athletes with this state-of-the-art athletic facility. Funds raised also benefit a variety of aesthetic improvements in the Eck Center, as well as, student participation in tournaments, out-of-conference games, transportation, uniforms and awards. Without the support of our parents, alumni, friends and business leaders, these initiatives would not be a reality. This commitment belongs to all of us – CASEYS PAST, PRESENT and FUTURE so please join us at the 28th Annual Caseys Golf and Tennis Outing.
