

“Welcome, incoming Freshmen parents and students!”

The PTIA (Parent Teacher Association of the International Academy Okma) welcomes you to the IA Okma Campus! We're happy to have you and we're excited to share with you what the IA Community is all about!

We're a fun group of parents supporting the school, staff, and students. There are no time or monetary commitments expected of any PTIA parent. You decide if you want to volunteer for a few hours or entire events, provide food donations for events, or support us with your membership dues only!

We'll always share with you all experiences collected by our veteran IA parents, what is going on at school in the hope that all our information provided will help, especially for the new IA families in getting you settled in as soon as possible.

If you're interested in getting to know us, get possible questions answered, and maybe even talk to some Peer Corps students - please feel free to come by for coffee, tea, drinks and bagels! We kindly invite you

**to the PTIA Freshmen Parent Coffee
on Thursday, August 18th, 8-10 am.**

You'll find us at the front entrance, under the awning, wearing our PROUD PTIA Parent Shirts!

We look forward to meeting you there!

Dr. Brenton Bailo & Katja Fischer
PTIA Co-Presidents 2022/23
