You have been invited to a google classroom from one of your teachers labeled counselor so it is important to join that invite that went out last week. You will find the course request for your grade next year. Please complete and submit by the deadline. Remember that it is important that you continue to get your assignments completed and turned in so that you can pass the required courses to be able to move forward to the next grade. These are not guaranteed courses for 2020-2021 depending on staff assignments and you completing your assignments to pass this years classes. Miss you all and hoping you are all well!

The following points may help if you have some questions:

- We are still looking at dual credit courses for next year and will get that information to high school when available.
- Graduation Plans and programs of study will be completed in person when we are allowed to return.
- Make sure you are staying caught up on assignments now because that will affect classes you can take next year.
- Athletics must have coach approval. You may choose it in your course selection but, that could change to PE if needed.
- All junior high students must take PE which is why it is showing in the required course section.
- Please make sure and put a selection in all slots in case a class doesn't make I will know you other choices.
- If you do not have online access to complete your selections, you can request a paper copy in the pickup line next Monday from Ms. Speed or myself.

TLC ACADEMY
2020-2021 SCHOOL YEAR
PRE-REGISTRATION
8th GRADE

Endorsement:

_____
