BENEFITS OF A MAGNET SCHOOL EDUCATION

Osseo Area Schools magnet schools offer an exciting learning experience, focusing on specific subjects or themes that captivate scholars' interests and unlock their full potential.

The specialized curriculum nurtures a passion for learning and equips scholars with practical skills and knowledge applicable to academic pursuits and future careers. With smaller class sizes and a personalized approach, teachers can cater to individual student needs, create strong mentorship relationships and promote higher levels of academic achievement, critical thinking and creativity among scholars.

DREAM, ACHIEVE, SUCCEED

Following Osseo Area Schools magnet program pathways can significantly enhance career prospects. Through hands-on learning experiences, internships and industry partnerships, scholars gain valuable real-world experience and access to mentorship from professionals, as well as the opportunity to build and utilize community partnerships.

Our magnet schools empower scholars to pursue higher education or enter the workforce confidently, setting them on the path to a successful and fulfilling career journey.

READY TO APPLY?

Osseo Area Schools magnet programs are made possible through a collaboration with Northwest Suburban Integration School District (NWSISD). For exact dates and more information about the lottery process, visit NWSISD's website, **nws.k12.mn.us**.

IMPORTANT INFORMATION

- **Online application:** Complete and submit an online application through NWSISD's website, **nws.k12.mn.us**. The application portal opens in mid-October.
- **Priority application period:** The priority application period extends from mid-Oct. through Dec. 17.
- **Second chance:** The application portal re-opens in January.
- **Sibling priority:** If your child has a sibling attending the magnet school of your choice during the same school year, an application must be submitted by the priority deadline to increase their chances of securing a seat.
- **Transportation:** Free transportation is available to and from all magnet schools if you live within the school districts of Anoka-Hennepin, Brooklyn Center, Buffalo-Hanover-Montrose, ISD728 (Elk River-Otsego-Rogers-Zimmerman), Fridley, Osseo or Rockford.
