MARCH 2022

FREEMAN FOCUS

A Letter to Our Community…

Spring is in the air and with it we have much to be thankful for - our students, staff, families, and community! With our Commitment to Excellence, we are constantly looking for ways to improve and do things better – whether it's in the classroom, in our six departments, with our leadership, or with how we serve our students and our families. To gauge how we are doing, we would like you to please consider taking a few minutes to complete a Center for Educational Effectiveness Survey (CEE) we are conducting. Your feedback lets us know what we're doing well and where we can continue to improve. We believe feedback is the Breakfast for Excellence.

CEE provides comprehensive data and consulting services to meet the challenges and mandates for increased student learning. Their data analytics, surveys, and on-site consulting provides districts and schools with the tools to conduct deep analysis of student performance, stakeholder perceptions, and the effectiveness of current practices. User-friendly tools make it easy to identify strengths along with areas of concern requiring change. For us:
BETTER DATA +
BETTER DECISIONS =
BETTER FREEMAN SCHOOLS.

Thank you for your support and ownership in the Freeman School District. Your input and feedback is critical for us to continue improving.

PRIDE, COMMITMENT, CARING—
WE ARE FREEMAN!

Sincerely,
Randy L. Russell, Ph.D.
Superintendent

What We Do:

The Educational Effectiveness Survey (EES) is a suite of stakeholder surveys to determine organizational effectiveness, student engagement and motivation, social-emotional learning, as well as parent/community involvement. Detailed reports and a blueprint for formative discussion guide, measure, and suggest change. Survey dates: 3/16 - 4/1.
