Varsity Soccer vs. Towson High School

1:30 p.m. @ Gym
Varsity Volleyball vs. Concordia Prep

Please join us for the 2022 RPCS Fall Sports Festival on Saturday, September 10, which will include the return of the Sally E. Nyborg Field Hockey Game.

We are excited to continue the tradition of commemorating the life of Sally, an exceptional young woman and RPCS student and athlete who passed away in 1998.

In Memoriam

On May 17, 1998, Sally Elizabeth Nyborg, a Varsity field hockey player and a member of the Class of 1999 at Roland Park Country School, died from complications caused by lupus. A very bright and energetic teenager, Sally challenged herself in all aspects of her life, including field hockey, which was her passion. She participated in the U.S. Futures Program and relished the challenge of learning and competing with some of the area's best high school athletes. Sally also loved to run and to help others, demonstrated by the \$1,800 she raised for the Leukemia Society by running in the Marine Corps Marathon in October 1997. All who knew Sally marveled at her work ethic and her dedication to academics, athletics, and all that she pursued.

The annual Sally E. Nyborg Tournament at RPCS is held to commemorate the life of an exceptional young woman and celebrate the game she so loved. Roland Park Country School is grateful to the parents, grandparents and friends of Sally E. Nyborg and the Class of 1999 who established an endowment to help underwrite this event. RPCS would like to thank all of the athletes, coaches, supporters, and parents who have made this day possible.
