21st Century Scholars

Herron Classical Schools has signed on as a partner with the Indiana Latino Institute in their effort to update the laws surrounding the 21st Century Scholars Program. Currently, the program offers full-tuition scholarships for lower-income students who sign up with the program in 8th grade. If they can maintain a solid GPA and complete college-centered tasks during high school, they will receive this scholarship, valid at any Indiana college. While the program does allow for many low income students, especially students of color, to attend college with little to no debt, there have been many instances of students and families falling through the cracks in recent years.

The proposed changes will allow for automatic enrollment for all free/reduced lunch 7th and 8th graders across the state, give high schools the ability to further enroll students into their 9th grade year, and increase funding for the Padres Estrellas program, which promotes family engagement and understanding of the 21st Century Scholars process.

HERRON PREPARATORY ACADEMY

The 2022-23 school year is off to a great start. Our scholars have been busy learning new skills and developing new friendships. Teachers are reporting great progress already! We are excited to see how each child grows over this semester.

Thank you for the great turn out at Back-to-School night. It was great to see so many families and to know that we are partnering with you as we meet the specific needs of your child. We look forward to a successful year.

Also, you may have recognized a new face at the front desk. Please welcome Alexis Jones as our Student Services Coordinator. Ms. Colbert decided to step away from the workplace for now and we will miss her smiling face and warm demeanor. We are thankful, however, that Miss Jones has filled that role. She is a 2016 Herron High School graduate and has jumped in with both feet! You may be receiving a phone call or email from Miss Jones who has begun to audit student files. As we transition to digital files, we may be asking for a document you already sent when you enrolled. If so, we apologize for the inconvenience and ask that you still send in the document requested.

In addition to Miss Jones, Aprille Goodman, mother to kindergarten Nico Carlucci, has joined the enrollment team as a part-time recruiter. We look forward to having Ms. Goodman help spread the word about our school!

We hope you have had a great long weekend, and look forward to seeing you on Tuesday!

Josh Adams, Interim School Leader
