WE ALL BELONG

It is the expectation and goal of PCHS to provide every student with the opportunity to learn in an environment that is safe, conducive to the learning process, and free from unnecessary disruption. Students should be aware that inappropriate behavior including bullying, harassment of any kind, or other behaviors outlined in our updated PCHS handbook and PCSD policies, are unacceptable and will result in disciplinary action. PCHS with the full support of PCSD will enforce district policies with the aim to support those students, parents, and/or guardians to understand that unacceptable behavior will not be tolerated and will be dealt with in accordance with the board's disciplinary policies.

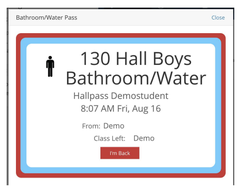
School Expectations

E-Hall Pass



PCHS uses an E-Hall pass system for student safety and accountability. In the event of an emergency it allows us to locate all students regardless of their location in the school. E-Hall pass also lets teachers better manage hall pass use to protect instructional time for all students.

Cell Phones

Cell phones are not allowed to be used during the school day. Students are expected to have their phones locked in the school-issued Yondr pouch through the entirety of the school day.

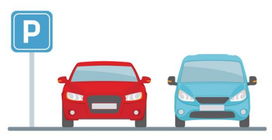
Parking on Campus



Students may park in the lot assigned to them on their parking pass. Spaces are limited this year and a pass is required.

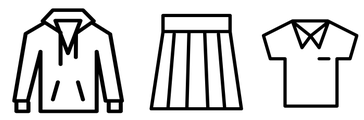
DRESS CODE



PCHS guidelines are for all student attire and appearance decisions to be school-appropriate and respectful.

Student Wellness

Students can access free therapy support for any life problem through the Safe UT phone app. They can use this app to report concerns anonymously to school administrators.

APP can be downloaded on any smartphone.

The members of Hope Squad are the eyes and ears of a school. They are made up of students who are trained to keep an eye on at-risk students, provide friendship, identify warning signs, and seek help from adults.

School Social Work Support

School social workers are here to support the social-emotional needs of students and help with problem solving, self-advocacy, and self-soothing skills. The Counseling Office provides Calming Corners for students needing a break during the day.
