School Social Workers at Western High School

Western High School is proud to have **two full-time School Social Workers** on campus **daily**, offering support to students, families, and staff.

Our School Social Workers are available to assist with:

- Mental health support (individual & group counseling)
- Crisis intervention (as part of the Crisis Support Team)
- Referrals to community resources
- Attendance support and coordination
- Assessments to identify student needs
- Consultation with school teams and staff
- Expertise in mental health and student well-being
