Ag Power & Equipment

Syllabus

Joe Parker
CTE Department Room V-10
joparker@gcboe.us

Course Description:

Ag Power and Equipment is a third-level ag class in which students will refer back to previous skills learned in Ag Mechanics to deepen their understanding of topics such as woodworking, power tools, welding, metalworking, and project management. Since this is primarily a shop class, proper PPE (personal protection equipment) must be worn at all times in the ag shop.

Classroom Rules and Expectations/Discipline Policy:

1. Be on time for class.
2. Tardiness is not tolerated
3. Bring Chromebooks, composition book, and pencils or pens to class each day
4. No cell phones period (refer to school board policy)
5. Absolutely no tobacco or drug use!!!!
6. Safety glasses must be worn at all times in the ag shop
7. Students will wear closed-toed shoes on days we are in the shop

Grading Policy:

1. 90-100 A
2. 80-89 B
3. 70- 79 C
4. 60-69 D
5. 59 and below F

Make-up Work Policy:

All students will have the opportunity to make up work missed while absent, however, a student is responsible for asking me for the makeup work.

Cheating:

1. First attempt zero on the assignment.
2. Second attempt office referral.

Instructional Materials:

I will make instructional materials available for review within 10 days of a written parental request.

Classroom Supply List:

- 1 three-ring binder
- Closed-toed shoes on days we are going to the shop

Major Assignments and Field Trips (if applicable):

During the semester, we will have various shop projects. All students will have time in class to complete and turn in assigned projects.

Standards/Topics Covered & Course Calendar:

- Occupational Safety and Awareness
- Career Awareness
- Engine and Motor Mechanics
- Hydraulics
- Navigation and Surveying

I have read and understand the rules and expectations of Mr. Dodge's Ag Power and Equipment Class.
