Kids Edition

Ready, Set, Go!

PREPAREDNESS MISSION

Are you ready for a wildland fire?

4th Edition

Mission 1: Know Your Area

A wildland fire can happen anywhere there are plants living outside. That includes a forest or grasslands. Even a swamp can sometimes burn during a dry season.

Draw a picture of what the outdoors looks like where you live.

Mission 2: Get to Know Your Firefighter

Firefighters wear different clothes when they fight different kinds of fires.

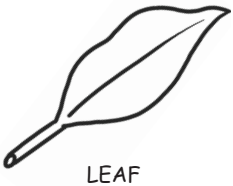
Structural Sandra

Wildland Will

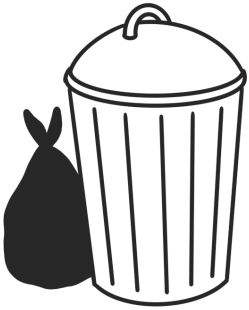
Mission 3: Be *Ready*

Having a clean yard helps get your home READY for a wildland fire. Color the leaves that Alex is helping rake.

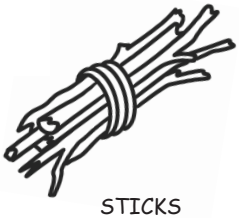
RAKE



LEAF



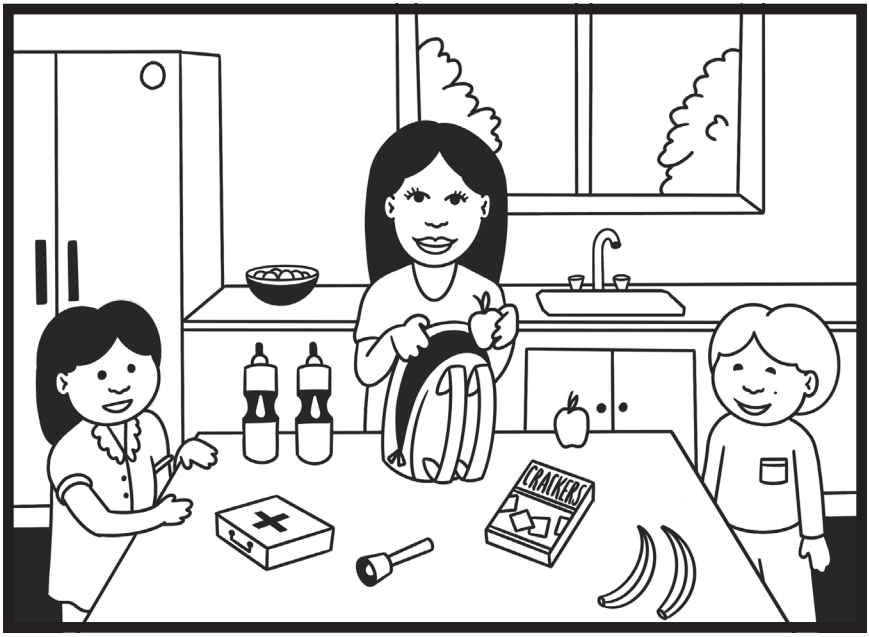
TRASH

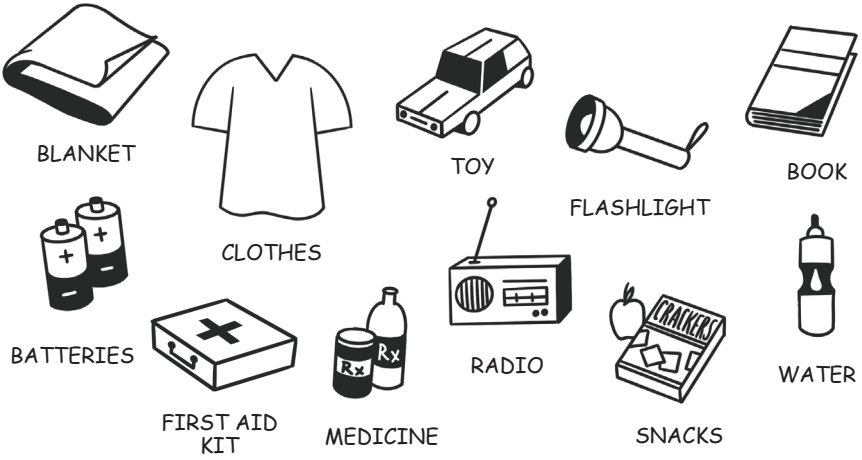


STICKS

Mission 4: Get *Set*

To get SET in case of a wildland fire, Sam and Jordan are packing safety kits with their parent/guardian. What would you put in your safety kit?

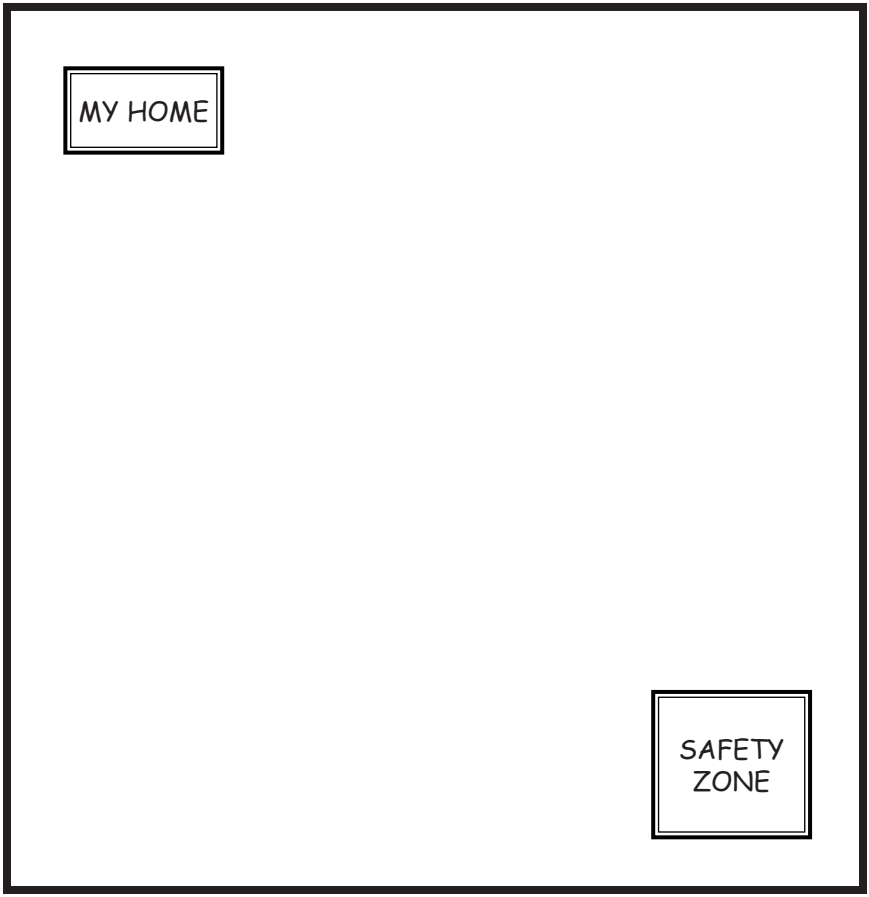




Mission 5: *Go!*

Sometimes it will be safer to GO, moving away from the wildland fire. Make sure you follow the directions of the firefighters and your parents/guardians. They all want you to be safe and away from a wildland fire.

Draw a map of your neighborhood. Find a path from your home to the Safety Zone. Can you find another path?



Mission 6: Post Your Information

For your final Ready, Set, Go! Mission, have an adult fill out the information below and post this sheet where everyone in your home can see it.

Important Information

Parent/Guardian's Cell Phone:

_____

Family Friend's Phone:

_____

Other Cell Phone:

_____

In Case of an Emergency Call 9-1-1

Safety Kit Location: _____

_____

Meeting Location If Separated: _____

_____

IAFC Wildland Fire Programs are funded through DHS/FEMA/AFG/FP&S grants awarded FY2018 (EMW-2018-FP-00279) and FY2019 (EMW-2019-FP-00412) and in cooperation with the USDA Forest Service. USDA is an equal opportunity provider and employer.

MISSION COMPLETE

This certifies that

_____

has completed the *Ready, Set, Go!*

Preparedness Mission
