G. W. Hellyer Elementary School

2024-2025 School Accountability Report Card
(Published During the 2025-2026 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) https://www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2025-26 School Contact Information

School Name	G. W. Hellyer Elementary School
Street	725 Hellyer Ave.
City, State, Zip	San Jose CA, 95111
Phone Number	(408) 363-5750
Principal	Jose Jacinto
Email Address	jose.jacinto@fmsd.org
School Website	www.hellyer.fmsd.org
Grade Span	
County-District-School (CDS) Code	43 69450 6047203

2025-26 District Contact Information

District Name	Franklin-McKinley Elementary School District
Phone Number	(408) 283-6000
Superintendent	Juan Cruz
Email Address	juan.cruz@fmsd.org
District Website	www.fmsd.org

2025-26 School Description and Mission Statement

G.W. Hellyer Elementary School has a clear vision: to create a school where students' well-being is an essential part of learning, cultural differences are embraced, full potential is realized, and community is valued. The mission of the school is to help Hellyer Eagles SOAR to succeed by being safe, open-minded, accountable, and respectful. To achieve this, the school follows the Five Resiliency Factors: Achievement, Belonging, Connection, Fulfillment, and Autonomy. The Hellyer Elementary SOAR program is designed to remind students of the behavioral and academic expectations across the school. Hellyer Eagles are expected to be Safe, Open-Minded, Accountable, and Respectful.

The administration conducts a monthly drawing to recognize students who have modeled the core values. Students receive a certificate and can choose a prize from a selection of options, including playground equipment, backpacks, school supplies, or books.

G.W. Hellyer Elementary has taken a great initiative by becoming a certified Trauma-Skilled school. The staff understands how trauma can impact student and adult learning and behavior, and they have created a safe learning environment that minimizes these triggers. This has allowed the students and teachers to flourish in their relationships and learning. The staff has high expectations for students and takes seriously the responsibility to support them in reaching their full academic and social-emotional potential. Programs such as CORAL, Little Heroes, and Jr. University provide additional in-school and after-school support to students who need assistance with academic and social skills.

Students are encouraged to achieve their best and be proud of their efforts. The school celebrates students' accomplishments through Awards Assemblies, Monthly SOAR Rallies, Math Masters, and a celebration assembly recognizing growth made on state tests. Overall, G.W. Hellyer Elementary is a wonderful place where students can thrive academically and emotionally while being part of a supportive community.

To support our English Learners, Hellyer incorporates Thinking Maps into daily instruction to enhance comprehension and critical thinking skills. Additionally, we recognize the importance of providing small group instruction to support all students in reading. We use SIPPS and Sonday Targeted Lessons as key resources to deliver focused, effective small-group instruction.

About this School

2024-25 Student Enrollment by Grade Level

Grade Level	Number of Students
Transitional Kindergarten (TK)	20
Kindergarten	47
Grade 1	64
Grade 2	52
Grade 3	60
Grade 4	67
Grade 5	77
Grade 6	79
Total Enrollment	466

2024-25 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	48.1
Male	51.9
Asian	19.6
Black or African American	0.5
Filipino	2.6
Hispanic or Latino	74.4
Native Hawaiian or Pacific Islander	1
Two or More Races	1.3
White	0.5
English Learners	41.3
Homeless	2.1
Migrant	0.3
Socioeconomically Disadvantaged	83.5
Students with Disabilities	13.7

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	15	83.33	332.8	79.13	234405.2	84
Intern Credential Holders Properly Assigned	0	0	16.3	3.88	4853	1.74
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	1	5.56	38.9	9.26	12001.5	4.3
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0	0	5.5	1.33	11953.1	4.28
Unknown/Incomplete/NA	2	11.11	26.9	6.4	15831.9	5.67
Total Teaching Positions	18	100	420.5	100	279044.8	100

Note: The data in this table is based on full-time equivalent (FTE) status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	15.5	88.57	302.4	78.25	231142.4	83.24
Intern Credential Holders Properly Assigned	0	0	20.7	5.38	5566.4	2
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)	0	0	37.7	9.75	14938.3	5.38
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)	0	0	4.4	1.15	11746.9	4.23
Unknown/Incomplete/NA	2	11.43	21.1	5.46	14303.8	5.15
Total Teaching Positions	17.5	100	386.5	100	277698	100

Note: The data in this table is based on FTE status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2023-24 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)					230039.4	100
Intern Credential Holders Properly Assigned					6213.8	2.23
Teachers Without Credentials and Misassignments ("ineffective" under ESSA)					16855	6.04
Credentialed Teachers Assigned Out-of-Field ("out-of-field" under ESSA)					12112.8	4.34
Unknown/Incomplete/NA					13705.8	4.91
Total Teaching Positions					278927.1	100

Note: The data in this table is based on FTE status. One FTE equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered "ineffective" under ESSA)

Authorization/Assignment	2021-22	2022-23	2023-24
Permits and Waivers	1.00	0	
Misassignments	0.00	0	
Vacant Positions	0.00	0	
Total Teachers Without Credentials and Misassignments	1.00	0	

Credentialed Teachers Assigned Out-of-Field (considered "out-of-field" under ESSA)

Indicator	2021-22	2022-23	2023-24
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0	
Local Assignment Options	0.00	0	
Total Out-of-Field Teachers	0.00	0	

Class Assignments

Indicator	2021-22	2022-23	2023-24
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0	
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0	

Note: For more information refer to the Updated Teacher Equity Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Textbook and instructional Materials: The local governing board of the Franklin-McKinley School District has certified that each pupil in the District, in transitional kindergarten through eighth grade, has been provided with standards-aligned textbooks and/or instructional materials in each of the following areas: reading/language arts, mathematics, science and history/social studies. Health is included in the science curriculum. All District textbook adoptions are within the scope of the most recent State Board of Education adoptions and comply with California Education Code provisions.

In accordance with the California Education Code and the Williams Settlement mandates, procedures, monitoring processes and reporting practices by principals and District departments have ensured that all students have access to the current, standards-based textbooks and instructional materials.

In order to comply with the mandates to provide students with the most recent state-approved adoptions in the core areas of Reading/Language Arts, Mathematics, Science and History/Social Studies (Health is included in the Science curriculum), a textbook inventory is conducted at every school by each September of the school year. Each principal was responsible for ensuring that every student was provided with the necessary textbooks and instructional materials. In addition, the updated inventory count was also verified by each site for every classroom in September 2025. In addition, principals were responsible for the replenishment of needed textbooks at every grade level (TK-8). All ordering and delivery materials are through an established set of procedures with the District Service Center. As part of the monitoring of sufficiency of textbooks and instructional materials, principals submit a school wide and an individual classroom report to the Curriculum, Instruction, and Assessment Department annually.

As a result of the inventories, the Franklin-McKinley Board of Education certified that each student in grades TK-8, including English learners, have been furnished a complete set of core instructional materials and textbooks that meet the requirements of the California Education Code. A public hearing regarding the sufficiency of said materials that are consistent with state-adopted frameworks was held on September 9, 2025. A Resolution on Sufficiency of Materials, according to the Williams Act mandates, was passed at a public hearing on September 9, 2025.

Year and month in which the data were collected	9/2025

Subject	List of Textbooks and Other Instructional Materials / Indicate if from Most Recent Adoption / Year of Adoption	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Creative Curriculum (TK)/2022 Journeys: Houghton Mifflin Harcourt Brace (K-5)/2020 Collections: Houghton Mifflin Harcourt Brace (6-8)/2020	0%

School Facility Conditions and Planned Improvements

G W Hellyer Elementary School ("Hellyer") main campus was built in 1967. This school has 25 classrooms, a multi-purpose room, a library, a STEM lab, and an administration building. The facilities are managed with pride by two (2) 8-hour custodians assigned for daily cleaning. The campus is in good condition.

In 2020, FMSD Bond Measure R was passed and will fund a variety of campus facility projects district-wide. Recent site improvements to the facilities include campus-wide exterior painting, the addition of ceiling projectors in all classrooms (2021), the installation of security cameras at all entrances and access gates (2021), roof repairs (2021), and the addition of new shade structure over kinder playground structures (2020).

ESSER funds were utilized to provide additional picnic tables for outdoor learning use (2021), and a designated Wellness Center was established to ensure students are provided with psychological and counseling services and a safe, healthy, and connected school environment (2021).

Voices Charter School was established on the Hellyer Campus in 2016.

Year and month of the most recent FIT report	7/1/2025

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			None

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments
(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25
English Language Arts/Literacy (grades 3-8 and 11)	47		39		47	48
Mathematics (grades 3-8 and 11)	39		31		35	37

2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students					
Female					
Male					
American Indian or Alaska Native					
Asian					
Black or African American					
Filipino					
Hispanic or Latino					
Native Hawaiian or Pacific Islander					
Two or More Races					

White					
English Learners					
Foster Youth

Military					
Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students

Socioeconomically Disadvantaged					
Students Receiving Migrant Education Services					
Students with Disabilities					

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25
Science (grades 5, 8 and high school)	32.08		21.8		30.73	

2024-25 CAASPP Test Results in Science by Student Group

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Not Tested	Percent Met or Exceeded

Students with Disabilities					

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 5	100%	100%	100%	100%	100%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2025-26 Opportunities for Parental Involvement

Parental involvement is highly encouraged at Hellyer Elementary School. We believe in fostering a strong and positive partnership between parents and the community. Whether volunteering individually or as a group, parents and families can actively participate in school activities. To become a volunteer, all you need to do is complete a volunteer application form. We depend on parents to keep our programs running smoothly, and we appreciate their invaluable support. Volunteers will support three school-wide evening festivals: Latino American Independence Day, Tet, and the Pacific Islander Festival.
Our School Site Council works closely with the Principal to make real-time educational decisions on various school goals. Parents of English Learners are vital to our English Learners Advisory Committee and to our outreach efforts for new families. Other parent volunteers actively participate in classroom special projects and chaperone field trips. We also organize family involvement nights throughout the year, during which our volunteers help plan, set up, and run the evening activities.

Hellyer Elementary offers the Latino Literacy Project, an eight-week family reading program (Family Stories/Cuentos Familiares) in Spanish and English. Using books appropriate for grades 1–4, the program teaches parents how to establish a family reading routine, share books with their children, and build English vocabulary together.

We encourage all parents to attend Back-to-School Night (Fall), Open House (Spring), Parent-Teacher Conferences (November), the annual Science Fair, and Family Reading and Family Math Nights. We have also partnered with PIQE and Cultivating Literacy to offer workshops that support parent involvement, literacy, and parent advocacy.

In partnership with MESA Verde, Hellyer offers families the opportunity to have their garden at Hellyer. We currently have five family gardens at Hellyer and plan to expand in the coming years.

If you would like more information on how to get involved at Hellyer School, please contact Maria Mejia, school secretary, or Jose Jacinto, principal, at (408) 363-5750.

2024-25 Chronic Absenteeism by Student Group

Student Group	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate

2025-26 School Safety Plan

All schools in the Franklin-McKinley School District prioritize the safety and well-being of their students and staff. To ensure this, the district has a comprehensive safety plan in place, which includes various site drills designed to address a range of emergency situations that may arise. All school sites within the district conduct fire, drop and cover (earthquake), and intruder drills, and have established committees at all levels to review and correct any safety procedures that may need attention. Additionally, all required drills are calendared, completed, and evaluated, with the results communicated to staff and parents via the school website and email from an administrator. The School Safety Plan is reviewed, updated, and discussed with faculty in November and approved by the Board of Trustees annually before March 1.

D. Other SARC Information

Information Required in the SARC

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

2022-23 Elementary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	18	1	3	0
1	19	1	2	0
2	17	1	2	0
3	18	1	2	0
4	26	0	2	0
5	23	0	2	0
6	23	0	2	0
Other	8	2	0	0

2023-24 Elementary Average Class Size and Class Size Distribution

This table displays the 2023-24 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	16	3	1	0
1	17	2	1	0
2	17	2	1	0
3	18	1	2	0
4	28	0	2	0
5	27	0	2	0
6	24	0	2	0
Other	11	2	0	0

2024-25 Elementary Average Class Size and Class Size Distribution

This table displays the 2024-25 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per class). The “Other” category is for multi-grade level classes.

Grade Level	Average Class Size	Number of Classes with 1-20 Students	Number of Classes with 21-32 Students	Number of Classes with 33+ Students
K	16	1	2	
1	14	3		
2	16	1	2	
3	16	1	2	
4	20	1	2	
5	20	1	2	
6	28		2	
Other	10	2		

2024-25 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	

2024-25 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. The “Other” category is for all other student support services staff positions not listed.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Nurse	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)

Fiscal Year 2024-25 Types of Services Funded

- Community Schools Partnership Program
- Learning Recovery Educational Block Grant LREBG
- State and Federal Special Education funds
- Proposition 28 funds

Fiscal Year 2023-24 Teacher and Administrative Salaries

This table displays the 2023-24 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at http://www.cde.ca.gov/ds/fd/cs/.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

Professional Development

The primary areas of focus for our professional development in FMSD schools is training our staff to support the goals outlined in the district Local Control and Accountability Plan (LCAP).

FMSD provided teachers with professional development that emphasized the district focus, “Learning to Read” before students returned to school in August. Staff was provided with professional development opportunities that focused on the newly acquired supplemental phonics programs SIPPS and Sonday, along with sessions on the both diagnostic assessments and universal screeners. Full-day, optional Wednesday training is provided to staff on small group instruction, and the aforementioned curriculum and assessments. These training opportunities are provided to staff based on the findings of the literacy task force, which came into inception the 24-25 school year. For the latter half of the 25-26 school year, professional development opportunities will include small group instruction, and reading comprehension. FMSD continues to provide Implicit Bias training for all new staff and staff who were unable to attend training last year.

Ongoing Professional Learning Communities allow teachers to learn from each other and discuss best practices. All FMSD schools are participating in the implementation of a Multi-Tiered System of Support (MTSS) focused on Tier I instruction and universal access.

Hellyer School has partnered with the National Dropout Prevention Center to become a certified Trauma-Skilled School, launching a two-year program to equip all staff with the tools and strategies to support every student effectively. This initiative emphasizes building a school culture that fosters resilience through the five key factors: Connection, Belonging, Autonomy, Achievement, and Fulfillment. These factors serve as the foundation for training and guide daily practices within the school community. In May 2024, Hellyer proudly became the first school in California to be a certified Trauma-Skilled School. Hellyer is introducing Thinking Maps training throughout the school year in tandem with this transformative initiative. Thinking Maps consist of eight visual patterns that align with specific cognitive processes. These tools are integrated into all grades and subject areas to develop essential skills such as critical thinking, problem-solving, comprehension, and communication. The training program ensures that certified on-site staff can train all team members, fostering consistency and depth in

Professional Development

implementation.
Focus for the 2025-2026 School Year
Small Group Reading Support: A school-wide emphasis has been placed on small-group reading instruction across all grades, with a specific focus on supporting English Learners (ELs). Teachers are utilizing LEXIA Targeted Mini-Lessons to effectively address individual student needs and build foundational reading skills.
Specialized Reading Workshops: The Student Support Specialist has provided ongoing workshops for teachers. These workshops focus on SIPPS and Heggerty programs for primary grades and targeted strategies to enhance foundational skills for upper-grade students. This professional development ensures that educators can support diverse learners and close skill gaps.
Social-Emotional Learning (SEL): Hellyer's Social Worker plays a vital role in supporting both students and staff by delivering social-emotional strategies, training sessions, and programming that foster emotional well-being. This work is integrated into the school culture, enhancing resilience and ensuring a supportive learning environment.
Together, these initiatives position Hellyer School as a model for academic and social-emotional excellence. It is committed to helping all students achieve their full potential in a safe, nurturing, and inclusive environment.

This table displays the number of school days dedicated to staff development and continuous improvement.
