CATHOLIC HIGH SCHOOL  
COMPASSIONATE COLLEGE PREP

# TOY DRIVE

Please join with us this holiday season and bring a toy to assist children in our community to make sure they have something to open this holiday season. Please have every player in your program each donate 1 toy to support the following agencies this Christmas. Toys should be new and unwrapped and brought to the tournament to be placed in a large box with your School's Name on it. We welcome participation from your entire school community!

We have partnered with 4 Ever Our Angels a Non-Profit Organization that Oscar Frayer's Mom started to keep the memory of Oscar and his sister, Andrea alive. Please visit their website to see the good work of this organization.
