from the **HEAD OF SCHOOL**

Dear Providence Day supporters,

I'm so pleased to bring you a Report on Philanthropy that celebrates the generosity of our PD community, as we look ahead to what the future holds. It's a refreshing change of pace from the past two years when current events were front and center! This year we unveiled our Strategic Framework, an important set of priorities shaping Providence Day's future. Every aspect of the philanthropy you'll see detailed on these pages supports our pursuit of these goals, which include:

- **Leading the Education Field**
- **Equity, Inclusion, and Belonging**
- **Health and Well-Being**
- **Our Faculty and Staff**
- **The Campus Environment**
- **Resources for the Future**

Without the culture of philanthropy we have nurtured here at PD, we could not set goals aspiring to be one of the leading schools in the world. And I'm so encouraged by the many benchmarks we set this year, from \$3.6 million in cash received from all sources to the record high of \$1.76 million supporting teaching and learning through our Annual Fund.

Our Behind Every Charger Giving Day was a huge success, with 481 donors from the PD community participating (exceeding our goal of one donor for each member of our faculty and staff). Our parent participation for the Annual Fund was at 70 percent, well above the independent school national average. Once again, the Annual Fund received 100 percent participation from our faculty. Alumni participation was also a well-above-average 18 percent, and our endowment surpassed \$20.3 million. We have more to go to achieve our Strategic Framework goal of our endowment reaching \$55 million by 2030, and you'll be hearing more about that and other goals for our school in the coming years.

For now, I focus on our gratitude for the ongoing support of our PD family. With you, we achieve new heights each year, and I can't wait to see what the future brings to us all.

Cheers,

Dr. Glyn Cowlishaw

2021–2022 BOARD OF TRUSTEES

Providence Day's Board of Trustees serves as stewards of the school who hold "in trust" its mission and reputation. As such, Trustees accept the obligation to not only preserve but also to advance the institution. Their work begins with the fiduciary expectations of duty (due diligence on financials), care (executing decisions by prudent standards), and obedience (to laws and bylaws). Beyond these duties, Trustees focus on policies and strategies that are future-focused, leaving daily operations to the Head of School. As with all nonprofit boards, the majority of the work takes place at the committee level. The Board of Trustee committees are Advancement, Buildings and Grounds, Finance, Investment, Risk and Audit, and Committee on Trustees. These groups study and assess in depth the needs, activities, and performance of the school and to make recommendations when planning, developing, and establishing policy in their respective areas to the full Board.

2021-2022 BOARD OF ADVISORS

Initiated in 1997, the Providence Day Board of Advisors serves as a link between the PD community and the PD administration. The Board of Advisors comprises current parents, alumni parents, and alumni. Members are active supporters of PD through their gifts of time, talent, and resources. With a focus on strategic issues, the Board of Advisors assists the school in identifying new opportunities for growth and improvement. The Board of Advisors also provides PD with a clear understanding of the external environment in which the school operates, and helps to identify key stakeholder and potential partners to help PD achieve its strategic goals.

STRATEGIC FRAMEWORK

As a leading TK-12 independent school, Providence Day School is known for its innovative approach and focus on Global Studies, as one of just six schools nationwide to offer a Global Studies Diploma and a Round Square school; for its emphasis on social responsibility, proud to be “a private school with a public purpose”, including dozens of community partnerships and its unique Freedom School site; for its commitment to education in science and technology, and the application of innovation to teaching; for its accomplished scholar-athletes, who win state and local championships and go on to Division 1 teams and pro leagues including the NBA, WNBA, and MLS; and for its deep focus on the arts, dominating regional and statewide honors. The school’s greatest strength is its faculty, who serve as national AP readers and hold 101 master’s degrees and 15 Ph.Ds; their accolades range from a Regional Emmy to a Newbery Honor Book Award to an American Geographical Society Teacher Fellowship.

Our more than 4,000 alumni attend the most competitive colleges in the U.S. and worldwide, including top universities in Europe and Asia. Merit scholarships topped \$17.3 million in 2021 and increase each year. A PD graduate is prepared for life, not just college. Our graduates act purposefully and ethically, improving the lives of others.

Throughout its 52-year history, Providence Day School has been distinguished by its tendency to never feel satisfied or complacent with its position but to always strive for its next level of leadership excellence. We are proud to build on the foundation that has been laid down so far, but eager to find ways to better serve our students and families and create positive change in the world.

Following recent recognition by the Southern Association of Independent Schools accreditation committee for its national leadership in independent school education, this strategic framework provides the outline for Providence Day to define its own success and emerge as a truly global leader.

LEADING THE EDUCATION FIELD

Providence Day will lead the way in educational excellence, aspiring to be one of the best schools in the world.

PD will create a climate of inclusion so that all members of the community truly belong and are connected to each other and to the world.

HEALTH & WELL-BEING

We will support the health and well-being of the PD community - students, their families, faculty, and staff.

OUR FACULTY & STAFF

PD will recruit and retain the educators essential to be a world-class school.

THE CAMPUS ENVIRONMENT

We will create a campus that can deliver a world-class education.

RESOURCES FOR THE FUTURE

PD will build the resources it needs to sustain the school's future.

“We recognize and thank the families and institutions who have supported us in creating a world-class campus environment for students from transitional kindergarten all the way through graduation, and we look forward to many campus improvements to come.” —Jeff Appel, Associate Head of School for Institutional Advancement

SOFTBALL FIELD RENOVATION

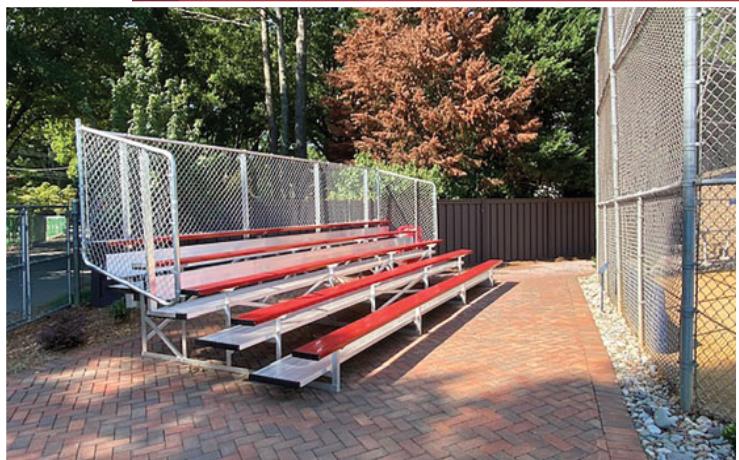

We recognize and thank the following donors who contributed to the renovations made to the softball facility in 2021-2022. Thank you to the Charger Club whose leadership contribution and matching gift challenge encouraged parents, alumni, and alumni parents to contribute to this initiative.

Completed enhancements include the installation of a new fence, an improved Concourse and Grandstand with fresh landscaping, and an upgraded seating and viewing area for fans. Improvements were also made to the bullpen area.

Renovations continue as we work to add a new covered batting cage, make improvements to our infield, and add additional screening fence for equipment. This new space will provide an improved practice experience for our Varsity, JV, and Middle School teams.

THE ENDOWMENT FUND

The endowment at Providence Day consists of funds, both unrestricted and restricted, that supplement and support the exceptional educational experiences offered to our students and faculty. Unrestricted endowment funds are distributed at the discretion of the school while restricted endowment funds are earmarked for specific use by the donor and in agreement with the school. Working in perpetuity, the endowment as a whole provides for greater long-term stability and helps to build and secure a legacy for future members of the Charger community.

The Providence Day endowment is made up of more than thirty named endowment funds. These endowment funds produce an annual spend rate of 4% which is set annually by the Providence Day Board of Trustees. Named endowments support academic programming, provide impactful professional development opportunities for faculty and staff, maintain campus facilities, and allow students to benefit from increased financial support.

Endowments benefitting student financial aid make up a large portion of the endowment's named funds. To date, Providence Day maintains 12 named endowments that directly benefit student financial aid. Every student deserves the opportunity to learn in a vibrant and supportive learning environment, and these endowment funds directly impact student educational experiences. In 2021-22, these endowment funds awarded more than \$83,000 in financial assistance.

For more than a decade the endowment has experienced continual and impressive growth. Through the efforts of the Charging Forward Campaign and increased community awareness, the endowment has grown from \$5.4 million in 2011-12 to a fair market value of \$20,384,512.48 million at the close of the 2021-22 fiscal year. As outlined in the school's Strategic Framework, the growth of the endowment will continue to be a priority of the school and Board of Trustees, which has set a goal to increase the endowment to \$55 million by 2030.

To learn more about the endowment at Providence Day School, please visit www.providenceday.org/philanthropy.

THE PARENTS' ASSOCIATION ENDOWED FACULTY, STAFF, & SCHOOL APPRECIATION FUND

Market Value - \$266,513.21*

The Parents' Association Endowed Faculty, Staff, & School Appreciation Fund was established in 2021-22 to provide consistent financial support exclusively for the Parents' Association's Faculty, Staff, & School Appreciation efforts during the school year. The PA believes that the faculty and staff provide inspiration, academic challenge, care, support, and encouragement to our overall community. The faculty and staff are the heart and soul of our school, and we are grateful for all they do for our students, families and for each other. The PA is fully committed to supporting and celebrating our faculty and staff each year, and this endowed fund will ensure the PA always has the financial resources to show our support and gratitude.

PARENTS' ASSOCIATION ENDOWED TEACHER OF THE YEAR AWARD

Market Value - \$439,296.23*

First awarded in 1984, the Teacher of the Year Award recognizes a teacher who best upholds the school's mission of inspiring in students a passion for learning both in the classroom and through extra-curricular activities.

In 2002, the Parents' Association made a \$100,000 commitment to endow this award to ensure that a \$5,000 award will be given annually to one teacher from each division in recognition of their exceptional service on behalf of Providence Day. To honor this generous commitment, the award was named The Parents' Association Endowed Teacher of the Year Award.

THE PAULA C. FREEMAN FINANCIAL AID ENDOWMENT FUND

Market Value - \$575,097.13*

Established in 1998 in memory of Lower School parent, Paula Camp Freeman, with gifts from family and friends, the earnings from the principal will be used to provide a qualified Lower School student with financial aid each year.

Prior to her passing after an extended battle with cancer, Paula spent numerous hours as a volunteer in the Lower School and was beloved by many for her support and willingness to assist with the many activities of the Lower School.

Providence Day's commitment to an enrollment of varied backgrounds is often contingent upon our ability to provide financial aid. Thus, the family and the school determined this fund's purpose would be appropriate and consistent with Paula's involvement with PD during her lifetime.

THE ROBERT C. HOLLMEYER ENDOWMENT FUND FOR ECONOMICS AND TECHNOLOGY

Market Value - \$390,580.07*

Family and friends in memory of Robert C. Hollmeyer, a PD alumni parent and former Trustee, established The Robert C. Hollmeyer Endowment Fund for Economics and Technology in 2006. The earnings from the fund are used to enhance the economics curriculum and provide professional development opportunities for faculty to explore innovative and engaging ways to utilize technology within the classroom.

THE ROB ECK MEMORIAL SCHOLARSHIP FUND

Market Value - \$335,824.49*

Established in 1978 by Clarence and Del Eck and friends in memory of their son and former PD student, Rob Eck, the earnings from the principal amount provide scholarship awards to eligible, enrolled students of PD who demonstrate a positive attitude, outstanding character and leadership potential as demonstrated by participation in extracurricular activities.

THE SWAYNE FAMILY ENDOWMENT

Market Value - \$134,412.88*

Established in 2016 by Bill and Linda Swayne, parents of Lisa Swayne Proud '91 and Heather Swayne Burns '93. The Swayne Family Endowment supports the Coach of the Year award which is presented annually. The award recognizes a coach for his or her outstanding leadership both on and off the field as well as for their positive influence on the lives of Providence Day student-athletes.

THE WHITTEN W. SCHOLTZ, IV '95 MEMORIAL AWARDS

Market Value - \$146,951.04*

This fund was created in 1996 with gifts made to Providence Day in memory of Whitten W. Scholtz, IV '95. Two annual awards are given from the earnings of the principal. The first, a plaque and monetary award, is given to a graduating senior who demonstrates enthusiasm and talent in computer technology and mathematics, coupled with superior leadership skills, well-roundedness, and involvement in various Providence Day activities. This award, called the Whitten W. Scholtz, IV Technology Award is given during Awards Day ceremonies each year. Twenty percent of the earnings from the principal fund this portion of the award. The second award, not announced, is given annually to a qualified freshman, sophomore or junior who displays many of the same qualities as mentioned above, but also demonstrates financial need. Eighty percent of the annual earnings from the principal fund this financial aid award each year.

*Market values are as of June 30, 2022.

“ Providence Day’s endowment plays a critical role in the planning for future generations, and we are pleased that support of the endowment has surged in recent years. We are also focused on the Strategic Framework goal to increase the endowment to \$55 million by 2030, with the help of our generous community of supporters.” —Jeff Appel, Associate Head of School for Institutional Advancement

STRATEGIC FRAMEWORK: Equity, Inclusion, & Belonging

“Equity, inclusion, and belonging are fundamental values of our school and its mission, and we thank all of those supporters whose giving allows us to expand our programming in this vital arena.” —Jeff Appel, Associate Head of School for Institutional Advancement

ANNUAL FUND

The 2021-22 Annual Fund campaign was another incredible example of the strength of our Providence Day community. The school received a collective total of \$1,768,051—a PD record—in support of teaching and learning from our parents, alumni, grandparents, alumni parents, faculty, staff, and friends. During a year that didn't begin quite as "normally" as everyone hoped, our community of donors helped ensure Providence Day's teachers and students were "Ready for What's Next."

"We are once again overwhelmed by the generosity of our PD family," said Jeff Appel, Associate Head of School for Institutional Advancement. "Our school has been built and sustained by the philanthropic support of generations of Chargers. Today, our culture of philanthropy is stronger than ever, and it is this tradition of giving that will propel our growth long into the future."

Each year the Annual Fund campaign is driven by a dedicated team of parent, alumni, faculty, staff, grandparent, and alumni parent volunteers.

The 2021-22 Annual Fund campaign was led by Chris Rosbrook (parent of Charlie '20 and Cameron '22). "It was a pleasure serving with such an energetic and devoted team," said Chris. "With the steady support of the Advancement Office, our team of volunteers engaged with Chargers from across the entire PD community hearing often and emphatically their gratitude for the efforts of the volunteer team and the impact of the Annual Fund."

Providence Day is immensely grateful to each of our donors and volunteers who, through their investment in teaching and learning via the Annual Fund, empower us in our mission of inspiring a passion for learning in our students. For more information about the Providence Day Annual Fund which runs from July 1 to June 30 each year, visit www.providenceday.org/annualfund.

PD NetWORK

Established by the Office of Institutional Advancement, PD NetWORK engages various constituencies of the Providence Day community to provide internship and mentorship opportunities in a range of industries for our alumni to develop their professional experience.

Thank you to the companies who partnered with us this past year! We are currently looking to establish 2023 summer internship opportunities.

For more information or questions about establishing an internship opportunity with PD NetWORK, please contact Rachel Ellis at rachel.ellis@providenceday.org or (704) 887-7058.

OPPORTUNITIES FOR YOU AND PD

Gift planning is the art of designing your charitable gift so that you realize your philanthropic objectives while minimizing your after-tax costs.

In addition to fulfilling your philanthropic goals, you can generally expect some or all of the following benefits depending on the kind of property you contribute and the type of arrangement you select:

- Income-tax savings
- Avoidance of long-term capital-gains tax
- Stream of income for life
- Increased cash flow
- Reduced costs and time in estate settlement

For more information about creating your own gift plans contact Jeffrey S. Appel, Associate Head of School for Institutional Advancement, at (704) 887-6038 or Jeff.Appel@ProvidenceDay.org.

GIVING DAY

The entire Charger community came together on May 3, 2022 for our annual Behind Every Charger Giving Day. This year, 481 donors made gifts in support of Providence Day, surpassing our goal of one gift for each faculty and staff member on campus and setting a school record for the most gifts received in one day. Parents, alumni, alumni parents, and grandparents made gifts in honor of faculty, staff, and coaches and left thank you notes to express appreciation for those who've made a difference in the lives of our students and their families.

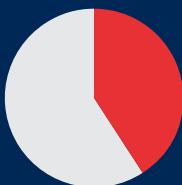

“We are grateful to all those who made a gift during our third annual Giving Day. The amazing response to this one-day effort every year is a testament to the impact those teachers and staff members who are *Behind Every Charger* have on our students each day.” —Jeff Appel, Associate Head of School for Institutional Advancement

The Parents' Association Establishes Endowment Celebrating Faculty and Staff

At the conclusion of 2021-2022, the Parents' Association proudly announced the creation of a new endowment at Providence Day - The Parents' Association Endowed Faculty, Staff, & School Appreciation Fund. Spearheaded by the Parents' Association Executive Board and in partnership with the Office of Institutional Advancement and the Accounting and Finance office, this endowment will provide exclusive financial support for the Parents' Association's faculty, staff, and school appreciation efforts each school year.

"The faculty and staff at Providence Day are truly the heart and soul of our school. They so often go above and beyond to ensure our students have extraordinary experiences both inside and outside of the classroom. We felt it was important to recognize their efforts in a way that was meaningful," said Amy O'Neil, 2021-2022 Parents' Association President. "We were extremely fortunate to be in a financial position where we could make a philanthropic contribution that would establish an endowment to directly impact our wonderful faculty and staff," she added.

"The Parents' Association gift to the endowment not only ensures that our faculty and staff are recognized for their commitment and passion to foster a strong environment for teaching and learning, but also aligns with our school's recent Strategic Framework to increase the school's endowment. We are deeply grateful for all they do for our school community and for their long standing partnership," said Jeff Appel, Associate Head of School for Institutional Advancement.

Providence Day remains grateful for the Parents' Association's continued generosity and commitment to celebrating faculty and staff.

PARENTS' ASSOCIATION

The Providence Day Parents' Association, in partnership with the school, seeks to foster an engaged and involved community through volunteer activities, fellowship opportunities, and fundraising events that support PD families, faculty, and staff. The Parents' Association is made up of more than thirty active committees and approximately four hundred volunteers focused on the areas of family support, school support, and fundraising.

Show Your Support & Pride for Providence Day

The Providence Day School Heritage Society recognizes those members of the PD community who have included PD in their estate plans. Heritage Society giving includes planned gifts such as life insurance policies, bequests, and real estate.

Gifts to the Heritage Society are generally designated toward the endowment and secure the future of PD for generations to come. Its members are listed in our annual Report on Philanthropy and included in our donor recognition programs and events. Each new member also receives a set of commemorative coasters to show their “PD pride.”

For more information contact Jeffrey S. Appel, Associate Head of School for Institutional Advancement, at (704) 887-6038 or jeff.appel@providenceday.org.
