8:00 ARCHBISHOP MITTY
PM MOREAU CATHOLIC

Oscar Frayer will forever be remembered here at Moreau Catholic for the impact he had on our school community, our Athletic Department and especially our Basketball Program. Almost immediately after Oscar's arrival on campus Moreau Catholic became known throughout the Bay Area and across the state. Oscar's impact and influence drew the attention of college scouts and media reporters which also drew other outstanding players to come join him and the program. In Oscar's sophomore year he led Moreau Catholic to the program's first ever State Championship game. Over Oscar's four years at Moreau Catholic he led the program to three North Coast Section titles, three MVAL Championships and one Northern Californian Championship. In 2022, Oscar was inducted into the Moreau Catholic Class of 2022 Athletic Hall of Fame.

Oscar brought a flair, confidence and style to Moreau Catholic basketball that drew students, faculty, alumni and community members to Mission Blvd to see what the buzz was all about. Oscar had a personality that attracted people to him. Young CYO players wanted to meet him and be like him and Oscar would always find time to listen and encourage younger players and fans.

Oscar had a deep love for his family and friends and that passion shined through as he developed strong relationships and made those a priority in his life. Oscar's senior game was incredibly memorable as the overflow crowd saw him commit to Grand Canyon University where he attended college and had a very similar impact through his play and his personality for the Lopes.

Oscar had an impact on so many people. He will forever be remembered for not only for his outstanding basketball skills, amazing dunks and magnetic smile but also for being the kind, loving and generous young man who touched the hearts and lives of so many. Rest in Peace and God Bless you Oscar. -FlyHigh

Mission Statement

Empowering Community with God's Grace...A little goes a long way

4 Ever Our Angels foundation was established in 2021. We provide Community Outreach services for underserved, disadvantaged individuals, children, families, and young adults. Servant Leadership is our main goal with hopes of giving back to our communities in need. Through all that we do, we continue to support the legacies of our very own, **Oscar Frayer IV** and **Andrea Frayer**.

On March 23, 2021 we lost three true servant leaders in a fatal car accident. Their lives radiated positive inspiration, dignity, honor, unmeasured loyalty, and unconditional love for all who had the pleasure of knowing them, whether through a close relationship, friendships, television presence, family, school, college, event, and other countless encounters. While there is much to celebrate about their short lives, all three beautiful souls—Oscar Frayer IV, Andrea Frayer, and Caley Bringmann—displayed honor, integrity, and values that we continue to share with the world around us.

Other services provided by 4 Ever Our Angels Foundation are “Birthday Parties in a Box” donated to family shelters, sock and glove giveaways to family crisis centers, necessity and toiletries bags for shelters, group homes, and people in the community who are experiencing homelessness. With your help and kindness, it is our hope to increase community resources and support.

OFI

Moreau Catholic High School would like to thank the following individuals for planning the Oscar Frayer Invitational.

Frank Knight

Larry Costello

Bill Katen

Allyson Knight

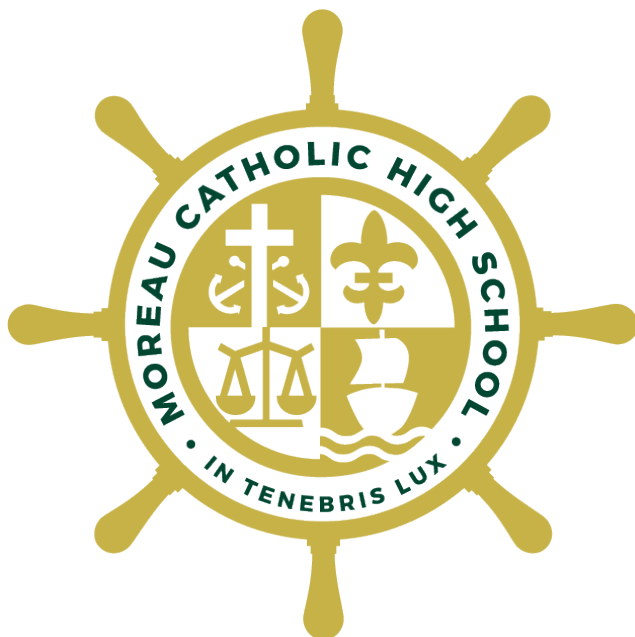

Christine Krisman
