IN MEMORY OF TOM HINTELMANN '54

If you attended Red Bank Catholic anytime from the 1950's through the 1980's, you're part of a community of Caseys that fondly remember Tom Hintelmann. He devoted his career-spanning 40 years- to Red Bank Catholic as a beloved faculty member. Tom was a lifelong resident of Red Bank and Catholic educated at St. James, Red Bank Catholic, and Fairfield University before coming back to RBC to teach thousands of Caseys U.S. History. Ask any Casey and they'll tell you he was a wonderful teacher and a true gentleman. Tom was a Casey "superfan" through and through and even after his retirement would be seen in the stands enjoying many games.

"He loved Red Bank Catholic. I'll never forget the pure joy in his eyes after a Casey victory." - Joe Montano, Athletic Director

"Mr. Hintelmann connected his lessons with stories to help you better understand history. He was a friendly, positive, and dedicated teacher who was always willing to help. His deep faith was evident and when you saw him around town he would always stop to chat."

MEET SAVANNAH ISACSON '23

Spend five minutes speaking with inspiring Casey, senior Savannah Isacson, and you'll quickly realize that this young woman is on an engineering mission to impact lives! Her love of engineering began with her Computer Aided Drafting and Design course led by RBC teacher, Bryan Nesci. When Savannah's aunt faced a devastating health crisis, her love of engineering coupled with her love for her aunt drove Savannah to create a biomedical engineering device, a mechanical hand. BOB HORN '56 SCHOLARSHIP

Caseys give back, it's what we do. Bob Horn, class of '56, is one such Casey that decided 6 years ago that he wanted to do something for his alma mater that had a lasting impact. "I see this scholarship as a living, breathing gift for Red Bank Catholic. The promising young students who can attend RBC because of the scholarship improve the quality of the community and in turn help keep the school the valuable place it is. If you don't have driven, smart kids to take advantage of the incredible assets of the school, the superb teachers, and innovative programs, then what's the point? I hope to help maintain the level of excellence in the student body that I am so proud of." [Read More Here>>](#)

During this time of celebrating the birth of the baby Jesus, I would like to extend my heartfelt wishes for a Blessed Christmas and a Happy New Year. Christmas is such a hectic time of year, with school shows, shopping and wrapping, family dinners, parties to attend, cards to write and a host of other activities. I hope you find/make time to reflect of the many gifts that bless your daily life.

This Christmas, I pray for each member of our Casey family and how grateful I am for your presence within our community. I wish you a very Holy Christmas and Happy New Year. May the Infant Child Jesus and his most Blessed Mother grant you the joy and peace of this holy season and keep you and your loved ones safe.

God bless,
Mrs. Karen M Falco
Principal

THANK YOU FOR MAKING GIVING TUESDAY A SUCCESS!

Casey Alumni, families, and friends came out in records numbers to make donations this past Giving Tuesday, the annual event when the global community comes together to support organizations they believe in! We are so appreciative for each and every donation that will impact our current students as well as future Caseys. The generosity and spirit of our Casey community is heartwarming and the donations will immediately impact programs, initiatives and scholarships that make a difference to our students.
