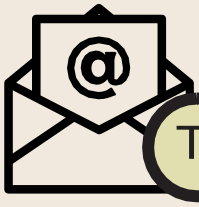
Connecting with Parents

Promote the conversation at home



Trusted Adult Email for Parents

Dear Parents and Families,

Our school will be celebrating Trusted Adult Week. Our goal is for every student to confidently say, "I know who I can go to if I need help." Throughout the week, students will participate in activities to help them identify Trusted Adults in their lives and understand that asking for help is always the right choice. We want every child to know that people are there to help and to feel comfortable reaching out when needed.

How you can help at home:

- **Talk with your child about who their Trusted Adults are**
- **Remind them that seeking support shows strength**
- **Reinforce that they can always come to you or other Trusted Adults**

We'll be doing various classroom activities throughout the week to solidify these important concepts. Thank you for partnering with us in helping our students build strong support networks.

If you have questions, please don't hesitate to reach out.

Warm regards,

Juan C. Alejo
