WALLA WALLA ONLINE

Student/Parent Contract

2025-2026

Students:

To maintain enrollment in the Walla Walla Online Program, I agree to the following:

1. I commit to dedicating 1 hour each day for each course to meet the state's required total 27.75 weekly hours of education. *Section (1)(b) of WAC 392-121-122.*

2. I will attend my scheduled weekly advisory meeting and all other meetings required by my teachers. *Section (2) of WAC 392-550-025*. If I am unable to participate in my required weekly advisory meeting, I will contact my advisor and reschedule for that same week.

3. After the second consecutive week or third cumulative week of missed weekly contact, I will attend a meeting with my advisor/teacher and parent/guardian to discuss the missed contact, identify barriers to attendance, and develop a plan for improved attendance. Continually missing the weekly contact requirements will result in a referral to the program director, Rob Ahrens, per district truancy procedures.

4. I understand that if I am not making satisfactory progress (60% or higher) in the majority of my classes by the Monthly Progress Evaluation (MPE) date, I will attend a meeting with my advisor/teachers and parent/guardian to implement an Intervention Plan. *Section (4) of WAC 392-550-025*.

5. I understand that if, after 3 unsatisfactory MPEs and Intervention Plans, a better academic placement will be evaluated. *Section (5) of 392-550-025.*

6. I understand that plagiarism, AI-generated or otherwise, will result in an automatic zero. I understand that I will be allowed to resolve the situation.

7. I agree, as a WWO student who has shared enrollment with Wa-Hi, I may be on the Wa-Hi campus during my regularly scheduled Wa-Hi class time. If I am on campus at any other time, I will check in at the Wa-Hi office or have a prior scheduled meeting with my WWO advisor or teacher.

8. WWO Seniors: I understand and agree that I will graduate from the school where I am taking the majority of my courses during the second semester of my senior year.

Parents/Guardians:

To increase academic success, as a parent/guardian, I will:

1. I commit to designating a specific study area for my student and monitoring my student's progress so they can dedicate 1 hour each day for each course to meet the state's required total 27.75 weekly hours of education. *Section (1)(b) of WAC 392-121-122.*

2. I will check my email daily for messages regarding my student's progress, and reach out to my student's advisor and/or course teachers regarding any questions or concerns.

3. If my student is not making satisfactory progress (60% or higher) by the Monthly Progress Evaluation (MPE) date, I agree to attend any in-person intervention meetings. *Section (4) of WAC 392-550-025.*

4. I understand that if, after 3 unsatisfactory MPEs, a plan for a better academic placement will be developed. *Section (5) of 392-550-025.*

5. I will attend any meetings required by the program director, advisor, and/or teachers.
