The New AllOne Health **Member Portal** Is Here

The AllOne Health Member Portal has been rebuilt to work seamlessly with the AllOne Health mobile app, giving you simple, secure access to support anytime, anywhere.

HOW TO GET STARTED

1. **Sign Up for the New Member Portal**
   Visit allonehealth.com/portal
2. **Create Your Account**
   Create your account by entering your email, password and the **Company Code** at the bottom of this flyer.
3. **Use One Login Everywhere**
   Your login works for ***both*** the online portal and the mobile app. You can download the **AllOne Health App** from the Apple App Store or Google Play.

WHAT TO EXPECT

- ✓ One login for both the portal and mobile app
- ✓ Faster access to counseling, resources, and support
- ✓ Modern, mobile-friendly experience
- ✓ Built to support your whole health

IMPORTANT LOGIN INFORMATION

The old AllOne Health portal is being retired, and your old portal email and password will NOT work in the new portal or app.

- **If you already downloaded the new AllOne Health App** and created an account, use the same login for the portal
- **New users** will need to create a new account using their company code listed at the bottom of this flyer
