DIRECTIONS: Have your CURRENT schedule available. You can access this information via Focus. Review this course card in its entirety and discuss options with your teachers and parents to consider which classes you will be most successful in next year. Have your teachers initial next to the courses they recommend for you. Using a pencil, CIRCLE each course title and number you select. Ensure you select a total of 8 classes: 4 Academic/Core Courses, 3 Electives (including Personal Fitness) and 1 Personalization. List 3 DIFFERENT elective choices in the Alternate Elective Choices box. You will meet with a FHS School Counselor to review selections and approve schedule.

STUDENTS/PARENTS: The courses you have selected will be used for scheduling next year's classes. Give each choice careful consideration as schedule change requests are considered for academic concerns ONLY and are limited by the Class Size Reduction Legislation and Mandates. Class placements may change due to test scores received over the summer. **PARENTS:** I have discussed these courses with my child and approve of the selections. I understand that courses selected are for a full year and all courses are subject to change without notice.
