DonorsChoose and Partners in Action

Through a partnership with DonorsChoose and with the assistance from generous community partners and District employees, The Foundation provides funding for Oklahoma City Public Schools classroom projects posted by OKCPS teachers. The Partners in Action initiative allows principals to post projects that are matched with community partners to fulfill, including time, talent and treasure. Combined financial impact for both programs in the 2019-2020 School Year was $11.5 million.

STARS of Education

In partnership with Oklahoma City Public Schools, The Foundation recognizes members of the OKCPS community that demonstrate exceptional teaching, inspired service and volunteerism within the district. To that end, The Foundation provides recognition and cash awards for the OKCPS Teacher of the Year and finalists, exceptional support staff within the district, and valuable volunteers and community partners who make a difference daily. The Sam and Charolett Principal Recognition program provided $10,000 in awards to one elementary and one secondary principal. And, in partnership with the City Council of Oklahoma City and the Downtown Rotary Club, The Foundation recognizes OKCPS's exceptional teaching through the Rotary Teacher of the Month program. These activities combined provided almost $20,000.00 in cash awards to teachers, schools and support staff within OKCPS.

Bilingual Teacher Pipeline Program and Diversity Teacher Pipeline Program

The Foundation, with the assistance of donors and education partners UCO, OSU-OKC, OCCC and Rose State College, facilitates two programs that "grow our own" teachers who are bilingual/of color. The programs provide funding for tuition, fees and books for bilingual and paraprofessionals of color already working in the district to become certified teachers. We currently have 40 bilingual paraprofessionals and 15 paraprofessionals of color participating.

OKLAHOMA CITY PUBLIC SCHOOLS SPECIAL INSTRUCTIONAL PROGRAMS

PROGRAM NAME	PROGRAM SUMMARY
ACADEMIC ACHIEVEMENT (AA/MS)	Innovative coursework for middle school students designed to reinforce and enrich learning concepts in reading/language arts and math.
ACHIEVE 3000	Online differentiated instruction that engages all learners at their individual reading levels and challenges them to improve their literacy skills by increasing their ability to read, comprehend, apply, and communicate information derived from complex text.
ACT-AMERICA'S CHOICE	This comprehensive instructional system includes rigorous core syllabi and model units, end-of-course examinations, formative assessment tools, intervention and acceleration programs, and professional development, all designed to help ensure that students are ready for college and careers without a need for remediation.
ADVANCED PLACEMENT	AP gives high school students a chance to do college level work and gain valuable skills and study habits for college. Students who get a "qualifying" grade on the AP Exam may receive college credit.
AVID	Advanced Via Individual Determination provides research-based strategies and curriculum designed to prepare students for success in high school, college, and a career, especially students traditionally underrepresented in higher education.
EARLY BIRDS	A free family-based program that provides parents with the information and tools they need to prepare their child to enter kindergarten ready and eager for school.
EL NEWCOMER ACADEMY	The academy is for students who are new to the country and with limited proficiency in English. These newcomers spend the next years simultaneously learning English and developing content proficiency on the road toward graduation.
ENHANCEMENT (HS)	Innovative coursework for high school students designed to reinforce and enrich learning concepts in reading/language arts and math.
GEAR UP	Discretionary grant program designed to increase the number of low-income students who are prepared to be successful in postsecondary education. Preparation and planning resources, readiness tools, and scholarship opportunities are provided.
GENERATION CITIZEN	Civics curriculum enabling students to have an understanding of how they can effect real, lasting change in their communities.
GREAT EXPECTATIONS	Great Expectations is an eclectic approach to teaching that emphasizes the behavioral component of classroom instruction.
HEAD START	Head Start is a comprehensive child development program which serves children from birth to age five, pregnant women, and their families. The goal is to increase school readiness of young children in low-income families.
HEALTHY SCHOOLS OK	This program focuses on injury prevention, cardiovascular disease prevention, cancer control, and physical fitness.

JROTC	JROTC is a high school program where military courses are given during regular school hours in addition to many out-of-classroom activities. Students learn the basics in military history, government, technology awareness, and current events. The main focus is on developing leadership skills as well as how to study, take tests, interview for jobs, and learn first aid skills.
JUNIOR ACHIEVEMENT	Junior Achievement teaches students how they can impact the world around them as individuals, workers, and consumers. This program prepares students for future economic and workforce issues they will face.
JUNIOR BOTBALL	Interactive program developed to teach STEM fundamentals and help students of all levels achieve subject mastery through hands on robotic activities.
KENNEDY CENTER PARTNERS IN EDUCATION	Schools develop a vision and long-range plan for arts integration, select from various introductory and in-depth professional learning options, and receive technical assistance from more experienced schools and the Kennedy Center for the Performing Arts.
LINK CREW	A high school transition program that welcomes freshmen and makes them feel comfortable throughout the first year of high school. Mentors from the senior and junior classes guide the freshmen to discover what it takes to be successful.
PBIS	Positive Behavior Interventions and Supports (PBIS) is a proactive approach to establishing the behavioral supports and social culture needed for all students in a school to achieve social, emotional and academic success.
ROBOTICS	Provides knowledge and skill to tackle problems in the core subjects of science, technology, engineering, and mathematics by gathering information, evaluating it, and presenting effective solutions. The program encourages important life skills such as teamwork, communication, and project-based organization.
SCHOOL-TO-WORK	Combines classes at school with hands-on-learning and training in the workplace, building partnerships between schools and employers focusing on local needs for today's demanding jobs.
SMART START	Smart Start is an early childhood collaborative to assure that children are healthy and ready for 1st grade. Activities include parenting education, child development, family literacy, arts and crafts, community mobilization, and overall family support.
STRIVING READERS	Addresses the literacy needs and improves the learning outcomes of children from birth through Grade 12 using clear content standards in the areas of pre-literacy, reading, and writing.
SUMMIT PERSONALIZED LEARNING	Enables teachers to customize instruction for individual student needs while students become self-directed learners and develop habits to help them succeed with continuing education, career, and life.
