Our WIG is to collect 2,340 pairs of socks by October 31st.

Recycling Club- The goal is to get students aware of their actions and think about our community. They have talked about promoting the use of the green recycling bins and donating unused food from student breakfast/lunch to a food rescue. Mr. Dufus has reached out to find out about the parameters and the food rescue is not allowed. We can put it on a cart and give it to someone else at the school.
