PRINCIPAL MESSAGE:

This month we are focusing on a few important goals that help our school stay safe, strong, and connected.

Character Trait – Responsibility:

This month, we are teaching students what it means to be responsible—taking care of our things, our friends, and ourselves.

Schoolwide Focus:

Our classrooms are practicing two big skills:

- Following the group plan so we can learn and play safely together.
- Naming our feelings to help children understand their emotions and get support when they need it.

Our staff is working hard to communicate with you often and in ways that are helpful. Please reach out if you have questions or need support.

As we head into the winter season, stay well and let us know if your family needs anything. We are here for you.

Warmly,

~Michelle Carpenter, Principal
