Optional Non-Refundable Device Protection Program

Fredericksburg ISD will be offering an optional device protection program. The participation cost for those choosing to enroll in the device protection program is **$50 per device**. This optional non-refundable device protection program fee can be paid to cover accidental damage to the device; damage from fire, flood, natural disasters, or power surges; and theft (with a filed police report).

If you choose not to pay the optional non-refundable device protection fee, you are responsible for repair or cost of the device as identified in the table below.

- Parents/guardians are encouraged to review this agreement with their students prior to registration, as parental consent also includes student consent.
- Students with outstanding technology fees must pay their fees prior to opting into the program.
- Coverage must be paid upon check out of the device and ends at the conclusion of that school year.

Device Protection Plan Claim

All Device Protection Plan claims must be reported to the campus librarian at your child's school within 72 hours. In cases of theft or other criminal acts, a police report (or fire report in the case of fire) MUST be filed by the student or parent for the protection coverage to be utilized. A copy of the police/fire report must be provided to the administrator at your school.

Families who waive the Device Protection Plan option will be held responsible for ALL damage to the district device(s) including, but not limited to broken screens, cracked or damaged casing or components, damaged ports or buttons, missing keys or broken keypads, etc. Stolen or lost devices and accessories such as cases, cables and power adapters, will be charged the actual device cost.
