March 12, 2026

Dear Parent,

During the 2025–2026 school year, all students in grades 3–8 and 11 will take the Smarter Balanced English Language Arts (ELA)/Literacy and Mathematics Assessments and all students in grades 5 and 8 will take the Hawai'i State Science (NGSS) Assessments. Your child may take the assessments on different days during the school year.

Test dates for Lahaina Intermediate:
May 5, 2026 - SBA ELA CAT
May 7, 2026 – SBA ELA PT
May 12, 2026 – SBA Math CAT
May 14, 2026 – HSA Science (grade 8 only)

The purpose of the assessments is to provide you and your child's teacher(s) with information about the extent to which your child has met identified content standards in ELA/literacy, mathematics, and science, depending on your child's current grade level. A Parent Information Booklet with information about the Smarter Balanced and Hawai'i State Science (NGSS) Assessments and what you can do to help your child prepare has been posted online at https://smarterbalanced.alohahsap.org/resources. Before the assessments, please visit the alohahsap.org portal.

The Elementary and Secondary Education Act, as reauthorized by the Every Student Succeeds Act of 2015 (ESSA), requires states to establish challenging standards, develop aligned assessments, and build accountability systems based upon educational results. All students are included in a state's system of standards, assessments, and accountability. After a student completes the assessments, an Individual Student Report (ISR) will be made available. Parents or legal guardians—including those with disabilities or those who are not proficient in English—may request an alternate format of the report, such as Braille, large print, or an oral translation, by contacting the school or the HIDOE Assessment Section.
The Department of Education strongly encourages all parents to have their children participate in the Smarter Balanced ELA/Literacy and Mathematics Assessments and the Hawai'i State Science (NGSS) Assessments so that we can better identify their academic strengths and needs.

If you have any questions, please contact the school at 808-727-6600.

Sincerely,

Stacy Bookland
Principal

JOB OPPORTUNITY

Help Our Classrooms Shine! ✨

We are looking for dedicated individuals to join our team as Classroom Cleaners. If you love our school environment and want to help provide a clean, safe space for our students to learn, we would love to have you!

Shift Time: 2:30 PM – 6:00 PM (After School)

How to Apply: Please stop by the front office to pick up an application.

SAVE THE DATE!!

SPRING DANCE

Lahaina Intermediate
Friday, March 27th
6-8pm

$5 ADMISSION & FOOD FOR PURCHASE!
Permission slips will be sent home on 3/23
Come for a fun night with your friends!

🔌 Chromebook Charging Reminder: Ready for Learning!

We would like to send a friendly reminder to all students and parents about the importance of being prepared for the school day, particularly when it comes to technology.

A fully charged Chromebook is essential for engaging in lessons, completing assignments, and accessing necessary resources throughout the school day. When devices are not charged, valuable instructional time is lost as students search for outlets or wait for devices to power up.

Key Reminders for a Successful Day:

⚡ **Charge Overnight:** Please ensure your student's assigned Chromebook is plugged in and charging every evening at home. Starting the day with a 100% charge is the best way to guarantee full functionality

🎒 **Bring the Charger:** Students must bring their official school-issued Chromebook charger to school every day in their backpack. While we encourage overnight charging, bringing the charger ensures that if any issue arises, they can quickly top up during an appropriate time.

🚫 **Keep Chargers Safe:** Please remind your student to keep their charger safe and organized in their backpack to prevent loss or damage.

Thank you for partnering with us to ensure every student is prepared and ready to learn from the moment they step into the classroom! Consistency in charging habits is key to maximizing learning time.

TUTOR.COM

Use tutor.com at home for Classwork help!

LIS Students now have 24/7 access to online, in-person, one-to-one help for classwork and enrichment at TUTOR.COM.
All LIS students can access the program through the LIS website under “For Students” in the “Clever Login” section.
Parents, you can learn more about how to support your child at-home by viewing this short film (Tutor.com for k-12 parents/ guardians) or visiting tutor.com/hawaii.
