Because I may not get my 1st choice in elective courses above, I want the following classes to be alternates to my 1st choice selections. **Select only semester courses (denoted with an *). List the course codes here:**

1. __ __ __ __ 2. __ __ __ __ 3. __ __ __ __

Have you taken Health (9210)? PE1 (9111)? PE2 (9112)? Financial Literacy (8610)? One credit of Fine arts? If not, please add them to your schedule. They are required for graduation!

☐ I intend to complete a PE waiver application.

Please turn over for more information.

Students will complete & submit a scheduling card in World History on Wednesday, **January 14th**.

All cards will be turned in that day. Please make sure you discuss course selections with your student prior to this date!

Thank you in advance for your attention in reviewing and discussing these course options with your student to make sure he/she is prepared to complete their scheduling card upon return to school!

Please initial the following policies and sign below:

____ I understand that I am approving the circled courses and will review all courses selected sometime in April. I must verify that all the correct courses are listed. Any changes must be made at this time.

____ I understand that if I fail any courses required for graduation during the current school year that my requested courses will be subject to change by guidance to make room in my schedule to retake the course to make up the failed credit.

____ I understand that if I am an athlete, I need to be taking at least 5 classes and passing them all with a 1.0 nine weeks GPA in order to be eligible. I also understand that physical education does not count towards these 5 classes as it is only worth 0.25 credits per semester.

____ **I understand that the last day to make any changes on schedules for the 2026-2027 school year is May 29, 2026.**
