Box 341
Huntington, IN 46750

The Huntington Quarterback Club can provide this scholarship program through the generous gifts and efforts of its members to support the Huntington County football programs.

Criteria for awarding and distributing the scholarship funds:

1. This scholarship is intended to provide financial assistance to a HNHS High School student football player who plans to further their education at a college or university. A change in school or career plans may affect the scholarship.

2. Students who have participated in Viking football for all four years (those who have moved into the community after their freshman year will also be given consideration if they have participated in football since they moved into the corporation) will be given priority consideration.

3. Applicants need to have achieved a cumulative 9.0 GPA (scholar athlete minimal guidelines) and demonstrate an aptitude and ability for college. Applicants must be in good standing, demonstrate character above reproach and anticipate graduation.

4. The maximum amount of the scholarship will be $500.00 (renewable up to a total of 4 years on an annual basis, renewal required annually) based upon the guidelines and the student's ability to meet the criteria.

5. Funds will be distributed annually prior to the first day of attendance for that academic year. A check will be issued to the student approximately two weeks prior to the beginning of the semester, quarter, or other term. Scholarship renewal will be based upon making satisfactory academic progress and being a student in good standing. Scholarship recipients will be required to provide a grade transcript for the most recently completed semester and must maintain an overall 2.5 on a 4.0 scale (or the equivalent of such if a different scale is used).

6. **The deadline for completion of the application form is March 14th.** All applications must be turned in to the guidance office by that date to be considered for the coming school year. Awarding of the scholarship will take place prior to **April 27th**.

7. Copies of all transcripts or current grades must be submitted to the Scholarship Committee with each application.

8. Should any family member or relative of the Huntington Quarterback Club Board apply for funds, said Board member(s) will immediately remove his/herself from involvement in the scholarship selection process.
