

5065 AWARDS FOR ACHIEVEMENT

Each school may develop its own awards and recognition system. The professional staff will maintain a set of criteria and procedures for presenting awards to students for various areas of achievement.

The professional staff is authorized to review and approve, or reject, proposed trophies, prizes, scholarships, or other awards from non-school donors. Acceptance will require affirmative answers to at least the following questions:

1. Can the proposed award be considered free from motives of personal or corporate gain and publicity?
2. Are the criteria for making the award under the control of the professional staff or acceptable to the staff?
3. Are the purposes, either implied or explicit, of the proposed award consistent with our schools' goals?
4. Where applicable, do the awards meet the requirements of the Minnesota State High School League and/or requirements set forth by clubs governed by independent provider agreements?
